NORTH CAROLINA STAR-WEDNESDAY MORNING, OCTOBER 11, 1854.

North-Carolina Star. RALEIGH, N. C.

TURMDAY MORNING, OCTOBER 10, 1854.

We are again compelled to ack the indulgen of our readers for the lack of editorial atten were indisposition must be our apology.

Orrica Separate .- The Standard has of late had several hypocritical appeals to the young on of the State to come over to the Dem arty, as they would stand a better chance of wing their merits appreciated and their talents del, or in other words, they would be more likely to share in same of the speils of office, if they would only give in their adhesion. But in a recent article on office seeking, it rather hints that young men should shun office seeking, rely on their own resources, &c.

The Salisbury Watchman thus takes off that Feufficient article of the Standard;

Almost every third man you meet is in search of an office !! Of course these third men are Democrats, by we do not suppose there are any Democrate, for we do not suppose there are any While so versiont as to suppose that they have any chinese for office, while there is such an overflow of democracy in the Legislature of this State and in Congress. Every third man you ment? Well, you will of course meet some Weige-permit us to suppose as least one third of the population of the remark, and experially of our State estimate, ine fact of the case is mide to be, that consider of the fact of the case is mide to be, that consider of the fact of the case is mide to be, that consider of the fact of the standard's estimate, the fact of the standard's methers. Survey, we agree with the Standard, that this is an array the standard's robust. This pure and patriotic party, that was so indigmant.

does it deserve the Standard's rebuke. This pure and patriotic party, that was so indignant at Whig oresi, and Whig monopolies, have not opt into the genial provinces of their coming as-cenducy before they are making a such for the spoils that causes their organ to ery out shame upon their indecent localing for the spoils. But what else did the Standard expect? Has he not all along been holding out to young aspi-rants of the State, the temptation of profil and know as an inducement for them to become Democrats? Have not the leaders of that party openly piled them with the same wires? Did not brother Higgs, in a shad belied out, and with a waning twing of commersition, exhort the young Whigs to desert and come over to the presence party to which he belonged, under the promise that their ments would not be over

from party to which he belonged, under the mise that their merits would not be over-ted, as they had been by the Whiga? And a is in the a pretty tale, when they come for-rd (though it be with a reach) to be told you is in it

"Lot the young men of the country determine to mily on their own resources; let hem rather show than well office. Let them he men I!" Well fer all that less taken place, this must sound y to such more as Clinguan and Mark and Mr. Roucher, though we dare say as abught of such a thing as treasury pap-are new some parage? gentlemen, where we will save for the novice; what must here thick of this recognition of their claims, is to sense hancel calling-off-cs will only corrupt and spail your morals, and busides if easy t pay 1 business "that promises well

y you to all this cool philosophy young Will you meekly acquisece in this on soderation and disinterestedness, or Setters upon moderations and disinterreleases, or call you shake your rehallion and defines in-its face of the office for and gates (atted Standard and reproach him with his insucerity? Will on not ask him whether he expects no jobs, nor own nor perquisites? He that has got ready with his power press, and hoasts of his 3,000 mainses, will be not come in for some of the sublic printing? Or will be conclude that pat-mage is debusing and give it all to the Metro-cultar? Thens, are questions we have to the These are as are questions we leave to the sey! We have no interest in their near, except to enjoy the scenes that will us, when the this voil shall be tern off of a harwfaced juggling and hypocrisy.

Tax Kass DINNER.-The complimentary din without distinction of party, to the Hon. Jno. as off at Yanceyville, on Thursday, the Sthult. The Milton Spectator says it was a ng ; gentlemen from several of the thes and from Virginia being has to be paid in the sacrifice of prop-Hon. Calvin Graves presided. Letters and from Goy, Reid, Hon, William A. Graa, John M. Marcheal, Thos. Ruffin, Thomas

ention at Salisbury on Saturday Inet, nominate Charles Partee, Esq., as their candidate for 'Ser ator, to fill the meancy occasioned by the death of the lamented Lillington. Charles F. Fisher is the Democratic caudidate.

We have received a copy of A Discourse adfressed to the Gradesting Class of Normal Colleze, July 26, 1854, by Rev. S. Milton Frost. Its title is, The Bible-The Young Man's Guide .-From the well-known reputation of the author we doubt not it contains a fund of valuable advice to young men.

G BRANCH ALETON, having disposed of half of his interest in the Norfolk Daily Courier to Jas. H. Moons, late editor of the Warrenton News, to an amount, which scarcely leaves any profit to the farmer from the use of the manure. Instead the paper will in future be conducted by them as editors and proprietors.

THE REPORTED KNOW NOTHING VICTORY IN Lou norman A telegraphic dispatch to the Bal-timore San, dated Louisville, October 5, says : The despatch sent you on Saturday last an-nouncing the election of William B. Shepherd, the Know Nothing candidate for Mayor, by 950 majority, should have been dated Nashville, Ten-mance. The word W. Sathville, Ten-

The word " Nashville" was accidentally mitted, either in writing or transmitting the despatch. There has been so election for May-

despites. There is, or held in this city. (It will be stan by the foregoing dispatch that the error was altogethic accidental, but the fact remains that a Know Nothing candidate was

Tan U.S. Anarstat.---We learn that Capt. A.J. Bradford has been relieved of the command of the U.S. Arsenal, up. Hay Mount, and that he is detailed for duty in Texas. He is succeed-ed in the command of the Arsenal by Major T. T.

Capt .Bradford has been in command here a various times, and for a good while ; and we learn that be has, at all times, exerted his talents and used his influence with the Govern-ment at Washington, to have this Post completed in accordance with the original design of

Our citizens will part with Capt. Bradfürd with reluctance. Their intercourse with him has Mr. Dickinson, in the language of the New York Herald, "maintains that the repeal of the Missouri interdict was the repeal of an unconwith reluctance. Their intercouse with him has been of the most pleasant character ; and their best wishes will go with him to his new field of operations .- Fay. Argus. stitutional act, and by sponging out the line, not the slightest conceivable

Tux Conservation or Baran,—A writer in the London Diquatch has made a curious estimate in Relation to the consumption of bread. He gives the number of consumption of bread. He gives the number of consumers in Great Britain and Ireland at 21,000,000, and allowing each person. Dickinson in this business is non-intervention one-and a half loaves per week, the aggregate is which he holds to be expedient because it is just ano-and shalf loaves per week, the aggregate is 30,000,000 of loaves. Admitting that each quar-ter of wheat makes 136 loaves of bread, it re-quires 168,666 quarters of wheat per week. To claiming for himself the merit of this position, claiming for himself the merit of this position. quires 05,000 quarters of wheat per week. To claiming for himself the merit of this position, as taken in the United States Senate, a year in advance of the famoua Nicholson letter of Gen. cass.
annually, Loudon and its auturba, with its 2,000,000 population, consums 3,000,000 loaves weekly, and, with flour, require 25,626 quarters weekly, and, with flour, require 25,626 quarters of wheat. A quarter of wheat will give 50 lbs. flour per bushel, of the quality which makes best doctrine of non-intervention and popular soverguantity of flour will make 134 quartern loaves, and operates in favor of free labor and free soil A quarter of wheat ground into four, and ta-king out only the dough bran, say about 5 lbs. to the bushel, will yield 48 lbs, per bushel of such flour, and that will make 141 loaves to the quar-ter. A quarter of wheat ground down into on this point, is uncompromising; and declares rough meal, without taking any bran, will give that against the administration and the Softs of 62 lbs, of meal, and that will make New York, "he is enlisted for the war, and is about 166 loaves of healthy good brown bread. not to be driven off or bought off.'

THE USURY LAW.

NATIONAL BABY-SHOW We see the papers are discussing the propriety of abolishing the Lw against usury. We have for a long time thought that all laws regulating We learn by telegraph from Cindumati that the "National Baby-Shaw" took placeat Spring-field, Ohio, on Thursday last, and attracted an immense number of visitors. One hundred and interest or premium on loffin, in personal trans-actions, were an "unwarranted interference in twenty bables were entered for premiums, and it is an undoubted fact that such squally times business matters, and productive of no good whatever, but rather of evil. WASHINGTON ALLSTON.

THE HIGH PRICE OF QUANO.

Soon after Allston's marriage with his first by the sister of the late Dr. Canning, his made second sist to Enraps. After a residence re of little more than a year, his peculiary not because very pressing and urgent, more to an at any other period of his life. On one of The promble routin of the Eastern war, the strage on the coast of Nicaragus, and various they political topics of the day and hour, showb other political topics of the day and hour, shorth no much of the attention of readers of jour-mals, that they have sight of a subject which is more into react to the actual interests of a large portion of the community, than all the telegraphic despatches in the world. We relie to the present unheard of monopoly in Guana, which is making the farmers of Virginia pay so large a portion of the proceeds of their toil to Pera, or rather the house of Barreda & Bra, its American ngeats. This is certainly use of the erving impositions of the day. It theratens to stants because very period of his life. On one on these occasions, as he himself used to narrate the overst, he was in his studio, reflecting with affect-ing of alrassi desperation upon his condition. His conneignee seemed to tell him that he had this conneignee seemed to tell him that he had It's converse seemed to tell him that he had leserved his afflictions, and drawn them upon simself by his wint of due gratitude for past fato withdraw from the country at an early day, and that he has designed Gen. Almonte as his that is the filter is reported that the confrom heaven. His heart all at once seemed lod with the hope that G d would listen to his successor. It is likewise reported that with \$603,000 belonging to his Envellency. The same correspondent, after anouncing the execution of Court Raousset de Boullon, says: He would not have been defeated and taken, impositions of the day. It threatens to the country of the larger portion of the ds of the soil. The farmers of this State prayers, if he would offer up his direct expres-sions of penitence, and ask for Divine aid. He accordingly locked his door, withdrew to a corproceeds of the soil. The farmers of this State have accustomed their lands to Guano, and they estimat new do without it; and thus, they are er of the room, threw himself upon his knees and prayed for a loaf of bread for himself and but that the kindness evinced by General Yanez, towards the French soldiers at Guayamas, had impelled to pay the exarbitant prices, which are demanded by the monopoly agency, or go without. The price has within the year gone up While thus employed a knock was heard at the door. A feeling of momentary elicited their sympathy and attachment, so much

so that Racesset, instead of commanding a par-ty of devoted followers, found himself surround being of fear lest he might have been observed. nduced him to hasten and open the door. A tranger inquired for Mr. Aliston. He was anxof obtaining it at a valuation fair alike to the ed by relutiant combatants. Twice they refused Peruvain owners, and the consumers here, which to be led to battle, and when at length Peruvain owners, and the consumers here, which would properly remanerate both parties, the planter is forced to pay just what the agents of Peru choose to ask; and the consequence is that he cannot obtain it without sinking a large pur-He was told that it had not been sold. tion of the sum received from his last year's crop

the meler, to arouse the zeal of his soldiers, unanimous gry of "spare the General !" are "Can it be possible ? Not sold ? Where is it to be had?" "In this very room. Here it is," nd so it goes on. Mr. Riddle's bill to regulate trade between the from the ranks of the French. Bat for this United States and the Peruvian Republic, re-ported in the beginning of the past month is, it seems to us, not a well advised measure if we producing the painting from the corner, and wiping of the dust. "It is for sale; but its value duty froe, when it sells at \$40 per ton; the duty of four per cent shall be added, when it sells at \$40 per ton; the duty of four per cent shall be added, when it sells at \$40 per ton; the duty below \$47-adaty of ten per cent, when the price is below \$50; \$ duty of silty per cent, be an adaqueed ""Will four hundred month when the price is above \$50. hero. Before surrendering he fought desper-ately, seeking death in every direction, but a accey, seeking death in every direction, but a mysterious providence spared him for a more ignominious fate. Perceiving that his men were giving way, be maked alone upon the artifle ry near the burracks, which was belching forth destruction. Two Mexicans threw themselves upon him, one attempted to spear him hot was about dead by a priord to spear him hot was about dead by a priord to spear

when the price is above \$50. We think that the duty should be more pro in mine." The stranger introduced binse the Marquis of Stafford ; and he became hibitory. It should amount to an actual exclusion when the manure sells above \$40. That is certainly him but was shot dead by a pietol in the hands ent one of the warmest friends of Mr. By him Mr. A. was introduced to the that m enough, and, would amply repay all the parties tugaged in its collection.—Petersburg,Express. Allston. out the gallant Freuchman clove his astagonist's society of the nobility and gentry; and he be-head with a sabre cut, and stretched him lifetense cache one of the most favored smoong the many gifted minds that adorned the circle, in which he prisoner, and excuted as stated above. But all this was no avail, he was finally taken

Samer or Mr. Discription on Neuropets and was never food of appearing often. The instan-taneous relief thus offered by the liberality of this THE SLAVERY QUESTION .- Hon. D. S. Dickinson, eader of the New York Hards, delivered a speech noble visitor, was always regarded by Aliston as a few days ago in Delhi, New York, on the par-ties and polities of New York, embracing his direct answer to his prayer, and it made a deep mpression upon his mind. To this event h views of the slavery question in connection with the repeal of the Missouri Compromise. ras ever after wont to attribute the increase of evotional feelings which became a prominent trait in his character.

A NEBRASKA EDITOR'S LAVE .--- The editor of the Omails Arrow gives the following description of his sanitum and manner of life :--damage has been done Again we write in our sanctum, though not as

t first, upon the stump of our first fallen tree bur cabin is partially reared, and near it we Our cabin is partially have selected a shady tree, from whose bought partisan documents, lat them be obtain from an officer of the Hous we have interwoven a cool, airy, and delightful bower. A rustic seat formed of poles, with the green soft grass for a cushion, and an umbrage ous limb as a table upon which our portfolio wata We have been cast something through he bushes to gather some of the delucious and uicy nlums that grow in wild profusion around us. The reverberating echors of the axe of the distant squatter, mingled with the nonstide an-them of the wildwood warbles, fails upon our ear from abusing it.

as the sound of merry music. In the distance upon the river, we see the approach of the noisy steamer, disturbing nature's lovely seclusia with its clicking machinery and clouds steam and smoke, whilst in the background smokes the great campfires over which broils a brace of quails and a plump duck for our midmeal. Our rude buffalo hammock haugs high over our heads in the branches of the tree, a safe reireat from the stinging hite of the mos putitoes, which at evening swarm in great abundance. The rude village of the Omaha, with a few acres of inxurious mains and other vegeta-bles, stands by the skirt of the timber, far away bles, stands by the skirt of the transe, par to the westward, upon the banks of a clear, par to the westward, upon the banks of a clear. The

CASE AND SQUATTER SOVERESONTY .--- The Rich mond Exprirer very pointedly condemns the in discrete real with which the Washington Union s laboring to incorporate the Cass dogma of Speatter Supervised by into the creed of the Dem-beratic party. It says the course of the l'agos survive party. It says the course of the ratio excites universal regret among the Democracy of the south; and, for itself, carnestly protosts against any such mischievous innovation. If Gen. Cass had havened the country with the commu-tary on the obscure test of his famour Nicholson letter before the election, as he did after, he would not have received the vote of a single Southern State.

We take it that all parties at the South ar be one of the all performed to be over of stuff of which Gen. Cause is composed. Like the gener-ality of Northern men with Southern principles, he has been weighted in the balance and found wanting. In the course of a late speech at Detroit, he declared that "hes thanked God he head is for for South" the transaction of berton, as declared that has instantice tool as lived in a free State"...that "unpervised ha-man feeling was opposed to slavary?...that slavery was "social and political cvil?...and baasted of his holdmain in utering similar sen-timobts in the Senate of the United States. He had given, he said, great displeasure to the South for expressing such sentiments; but he neant, nevertheless, to stick to them under all

Entertaining these sizes, and believing in the berevey of Squatter Sovereignty besides, timet "crash out" all his future hopes of South-ern support.--Wil. Heyard.

A ludierous scene occurred a short time fince

is hiroute hunter had captured a huge grinnly ir caught,-Admission 50 cents." An unso-isticated, raw-boned, long-legged, lank Pike unity man, fresh from the mines (excessively rdant-and matter of fact-and independent, with all) in shuffling down the street, read the sign and thought he'd like to le'k at the "critter." to the sublicry of the island, as Captain General. So he paid the admission fee and, after satisfying This document is of the ordinary complimentary

his curiosity, went on his way. The day after, one of our German fellow-citizens opened the ry next room to that where bruin was on exbibition, and posted over his door a sign on which was printed in huge capitals. "Lagor Bise." Our Pike County friend scantered long-leggedly down the street soon afterwards, and an thunderstruck when he read the new sign. Larger Bear ?" said be, "Larger Bear ?-why, og-dern that other feller's eyes-he said his's ras the Exrgest bear ever keiched-Pe bean windlef ?" and as wrathful as Achilles, he made ee, and, without one word, pummaled our worthy blend the bunter, almost to death, and utterly "cloured him out."
