

North-Carolina Star RALEIGH, N. C.

Wednesday Morning, Feb. 6, 1856. A Speaker at Last. It will be seen by reference to the proceedings of Congress, that that body on last Saturday, elected Banks Speaker.

Correction. In giving the vote in our last, for Mayor and Commissioners at our late city election, our types made us do injustice to Capt. Harrison without intending it. He received 90 votes, instead of 72 as was then erroneously stated.

Premium List. We lay before our readers this week the list of premiums for the next fair of the State Agricultural Society. The Executive Committee, by their prompt and early action on this and other matters touching the interests of the Society, have shown it to be their intention, so far as it may be in their power, to make the next exhibition a successful one, and in every way creditable to the Society and to the State.

Valuable Periodicals. We have received from the publishers, Messrs. Dix & Edwards, New York, the February number of the following excellent publications, issued by them, viz: Putnam's Monthly, Dickens's Household Words, and the School Friend.

North Carolina Times. W. Eburne, Esq., has purchased the establishment at Washington, N. C. The Times will continue the advocacy of the principles of the American party.

District American Convention. As yet we have heard of no more than one of the several counties composing this Congressional District towards the appointment of delegates to represent it in the National American Convention, to be held in Philadelphia, on the 22nd inst.

Mississippi Bonds. We notice that Mr. Sparks of the Senate of Mississippi, recently signified his intention to introduce a bill to provide for the payment of the Planter's Bank bonds.

Supreme Court. The following decisions have been made since our last: By Nash, C. J. In N. C. Mutual Ins. Co. v. Harris, from Alabama, judgment reversed and judgment here for plaintiff.

Convictions. The American Almanac for 1855 contains a statement collected from the returns of the clerks of the courts, under the head of crime, from which it appears that in the 14,998 convictions had before the courts of the United States, from 1841 to 1854, inclusive, a period of fourteen years, 2,548 were natives of the United States, and 5,450 foreigners.

American in Alabama. An eminently talented and former distinguished Democratic statesman of Alabama, now of the American party, writes of the prospects of the party in that State as follows: "You may, perhaps, think me to be sanguine, when I tell you that, with suitable candidates for President and Vice President, I have not a doubt of our ability to carry Alabama next November. I have but recently returned from Montgomery, where I met with some and distinguished members of our party, from every quarter of the State, and I assure you, that everywhere among them there is a feeling of hope and confidence which is the surest presage of victory."

Agents Wanted! Make Money when You Can! This is a rare opportunity for those who are looking for a profitable investment. The agents are wanted in all parts of the State.

Commission Merchants. We have a large stock of goods for sale. The goods are of the highest quality and at low prices. We are located in Raleigh, N. C.

Wanted. We are looking for a person who is experienced in the business of a clerk. The person should be able to write and read English.

A Correspondent of the London Guardian gives a thrilling account of the grand reception of the twelve thousand returned French veterans in Paris. No effort was spared by the Imperial government to give credit to the occasion.

The Russian Embassy has been ordered to leave Vienna during the week ending between Russia's first and second reply, and an intense apprehension is felt in Vienna, that on the 10th inst. the Russian ambassador will be ordered to leave Vienna.
