TRUE PIETY.

The Young Men of Mobile have a project on loot to raise by subscription the sum of \$500 for the use of the Rev. Jefferson Hamilton, of the Methodist Episcopal Church in that city. The governing motives in this enterprize are, as stated by the Daily Advertiser, that he has been the only regular, stationed Protestant Clergyman who remained in the city during the entire season thus far, ministering incessantly to the sick, the dying and the dead, and that in those holy offices, and in acts of kindness to the suffering poor, it is understood that he has already expended his entire salary for the present year. About thirty subscribers, at \$10 each, it is said, are alfeady procured, and we trust the list will be shortly filled.
