**OPINION OF A REGULAR PHYS-**

ICIAN. Exctor, Me. Sept. 30, 1845. This certifies that I have recommended the use of WISTAR'S BALSAM OF WILD CHERRY for discases of the Lungy, for two years past, and many bottles to my knowledge have been used by my patients, all with beneficial results. In two s where it was thought confirmed consumption much valuable matter for the husbandman, the E. BOYDEN, Physician at Exeter Corner E. BOYDEN, Physician at Exeter Corner NO QUACKERY! NO DECEPTION!

All published statements of cures performed by this medicine, are, in every respect, TRUE, BEWARE OF COUNTERPEITS AND IMITATIONS. The unparalleled and astonish. ing efficacy of Dr Wistar's Balsam of Wild Cherry in all the diseases for which it is recommended, curing many cases sher the skill of the best plivisians was unavailing, has effected a large and increasing demand for it. This fact has caused see eral apprincipled counterferiters and -imitators to

palm off spurious mixtures of similar name and ap-pearance, for the genuine Balsam. Be careful and get the genuine DR. ISTAR'S BALSAM OF WILDCHERRY. None genuine upless signed by I, BUTTS. Address all orders

to SETH W. FOWLE, Boston, Mass WISTARS BALSAM OF WILD CHERRY. the great remedey for Conscintistion And the best Medicine known to man for sthma of every stage, Liver Complaints, Bronch-

itis, Influenza Coughs, Colds, Bleeding of the Lungs, Shortness of Breath, pains and Wenkness in the side, breast,

PULMONARY ORGANS.

A very important disease over which this "Bal-m" exerts a very powerful influence, is that of a DISEASED LIVE.E.

In this complaint it has undoubtedly proved more efficacious than any remedy hi herto employed and in numerous instances when patients had endured long and severe suffering from the dis husinessrase without receiving the least benefit from various remedies and when MERCURY has been resorted to in vain the use of this Balsam has esorted the Liver to a healthy action and in many instances efforted PERMANENT CURES,

after every known remedy had failed to produce this desired effect. Bosides its astonishing officacy in the diseases

above mentioned, we also find it a very effectual remedy in ASTHMA, a complaint in which it has been extensively used with decided success, even in cases of years standing.

WEALTH. Men who have lived to learn by years of experi-ence the actions and deeds of life, who have studi-ed nature, and looked with amagement upon events which they never before contemplated, have heard of the glorious glorious schievements of the Ameri-can arms, under the renowned and now rendered immortal General Taylor. The celebrated visto-ries heretofore obtained upon the battle fields of Reusea de La Palma, Palo Alto, and the storming of Monterey, fall into insignificance when compared with the last exploits of Bucha Vista, when capinat fearful odds the American triumpled over his loc-and where was shown all that gallantry, bravery, discipline, and intelligence could accomplish. Gen-eral Taylor has placed bimself amongst the most renowned Generils the world ever may and the A-merican arm occupy as prominent a position as renowned Generilis the world ever saw; and the A-merican army occupy as prominent a position as any on the face of the carih, and well may every Anglo-Saxon by claim of kindred, and be proud of relationship which exists with their American sons.
