TESTIM NYOFTHE DOCTORS IN FAVOR New Spring and Summer

Exeter, Me., Sept 30, 1845. This certifice that I have recommended the us of Dr Wistars Balsam of Wild Cher-ry for diseases of the Lungs, for two years past, and many bottles to my knowledge have been used by my patients, all with beneficial results.-L. two cases, wh re it was thought confirmed consumption had taken place, the Wild Cherry effect

ed a care. E. BOYDEN, Physician at Exter Corner Dr. Bradford Knapp of Crown Point, N. Y-cin a letter dated August 3d, 1845, says: 'In the course of my practice in this vicinity I have tested in some good degre the good quaities of Wis-tar's Balsam of Wild Cherry in Pulmonary Com-plaints, and I now wish to procure a supply of

the medicine Dr. A. H. Macnair, of Taiboro, North Carolina writes us under date of Feb. 14, 1847 that he has us d Dr Wistar's Balsam of Wild Cherry in his practice the last eighteen months, and considers it the best preparation of the kind he ever saw, and knows of none so deserving the public pstronage Dr. Wm, A. Shaw, of Washington, N. C. writes, under date of May 1, 1846, as follows:

"I have heard of many cases of decided ben ficial effects from its use, especially in Asthma and chronic cough of spasmodic character I have used the Wild Cherry a great deal in practice, and

with marked good results in those cases of great nervous mobility, and irritability, to which phthis ical patients are subject. The combination of these principles in Wistar's Balsam of Wild Cherry is ing mious and judicious.

Medical men are justly distrustful of Pa'ent Medicines in general, but candor must discriminate between outrageous humbugs and nostrums and those medicings which have proved salutary and in many well attested cases curative." Dr. Hoffman, Huttingdon, Pa., cured a child

of Asthma with it, after he declared he could do no more with his medicine, and the child must die Dr. Freleigh, of Saugeriles, N. Y., says he cured Liver Complaint of four years standing, that would not yield to the usual remedies.

Abraham Skillman, M D., of Boundbrook, N I., says it is the best medicine for Consumptio in every stage, that he has ever known. We might refer you to hundreds of cases, had we toom, that would convince all of its great virtue-Editors, lawyers, clergymen, and almost every class have at last found out that Wistar's Balsan of Wild Cherry is what "it is recommended to be," the very best medicine to be found. It cures or relieves all affections of the Lungs when nothing

The Cheapest Campaign Paper in the South.

PRICE ONLY 50, CENTS!! THE YEOMAN. (REVIVED.)

This is to be the title of a Weekly Camp Paper to be issued from the REPUBLICAN OF. FICE, Richmond commencing on the 7th of June next, and ending with the Presidential Election. the last number embracing the official returns.

This paper will embody, is a convenient for, facts and arguments of interest during the campaign, and will be conducted in that spirit of mod eration and fairness which becomes the advocate of sound Whig Conservative Principles.

The Yeoman (revived) is designed to e the same position, as a correct channel of Day that was occupied by "THE YEOMAN" at 1840, which, it is believed, enjoyed a more general circulation than any other paper ever issued from the press of Virginia.

The very low rate at which it is proposed to fornish this sheet, justifies the publisher in believ ing that it, too, will go into the hands of a lage class of readers than any publication emanati from the Southern press

The first number will be issued on the day of the NATIONAL CONVENTION, and will convey to its readers a Telegraphic report of the roceedings of that body.

TERMS OF SUBSCRIPTION.

A remittance of One Dollar will secure Two Copies of the Yeoman, Five D. Bars, Ten Copies, &c. No paper sent without the money has been received. Postage in all cases must be paid, a he letters will not be taken from office.

The active co-operation of the Whigs through out Virginia and North Carolina is carneatly in roked in an effort to place "THE YEOMAN" before as large a number of the PEOPLE as pa able.

Will all who receive this prospectus be kind enough to hand it to their neighbors? A few me tive Whigs in each county during the April sictions, ought to have no difficulty in securing on hundred aubscribers, and this in the aggregate would swell the circulation to more than THIR-TEEN THOUSAND copies in Virginial Is it not

worth the effort? Address RO. H. GALLAHER, Richmond. Va. N B.—The Weekly Republican is still furnish-e1 at the low rate of One Dollar for the campaigs.
