ITEMS.

Nulification Feasts. Several good folks in South Carolina are getting up "nulification feasts," as they are called.

In the same neighborhood, the same week, the wife of Mr. John Diehl adaffier presented to him twins. Perhaps some of those in a state of celibacy would incline to matrimony by a residence in W. Va.

The Bank of the United States has declared a dividend of 5 1/2 per cent. for the six months ending 30th June.

The eastern people are apprehensive of inconvenience to families, from the questions which the deputy marshals will ask in taking the census.

Edgefield, July 10. Our Cotton Crops are and have been suffering severely in this part of the district, for want of rain, and such is the advanced state of our corn crops, we fear that they are beyond recovery.
