WHO CAN BEAT IT.—Mr. A. H. Joyce informed us this week that Gen. John F. Poindexter raised forty-one and a half bushels of rye this year from three pecks of seed. It was sown on a lot on which hogs had been fattened for two years not plowed in nor harrowed. Well done Mr. Joyce *brag* upon this result of his old friends farming.

NOMINATED.—The Republicans of Mecklenburg have nominated Dr. H. M. Pritchard as their candidate for the Senate, in place of Judge Dargan, deceased. The *Times* says that he will prove a formidable competitor to Col. Jones, the Conservative nominee.

THE *Goldsboro Daily Messenger* has again made its appearance in its former size, and with a new heading which very much improves its appearance. It has just entered its fourth volume. Continued success to it.

TERRIBLE RAILROAD ACCIDENT.—By private advices we learn that a most disastrous accident happened on the South Carolina Railroad on Friday night last. An Engine and thirteen cars attached (mostly freight cars) fell through the Congaree trestle about one mile from Kingsville. The Engineer, fireman and wood-passer were killed, and others wounded. Thirteen cars loaded with merchandize were all consumed by fire.—*Char. Democrat*

N. C. LUTHERAN SYNOD.

The annual session of this body was held in Salem Church, Rowan county, on the 26th of August. From the Evangelical Lutheran we extract the following:

Preliminary to the work before Synod, two new Churches were received into its connection—Macedonia, Company Shops, and Providence, Rowan County.

The Revised Constitution was before Synod for consideration. The principle feature noticeable in this document, was the elevation of the standard of ministerial qualifications. In the Constitution as it now stands no person can be received into the ministry who has not passed "a creditable literary and theological culture." The Licensure System was abolished, for the reason, that it failed to accomplish the object for which it was adopted; and now no candidate for the ministry will be admitted to an examination, with a view to ordination, who has not received a respectable education in one of our Colleges, and a "theological training equal to a two years course in a Lutheran Theological Seminary." The day for "rushing men into the ministry" without the requisite education, literary and theological, has passed; and this action of Synod will commend itself to every reflecting mind as highly judicious, and calculated to elevate the dignity and authority of the holy office, and to inspire becoming respect for those who serve at the altar.

An election for delegates to General Synod resulted in the choice of the following persons,

CLERICAL DELEGATES.—*Principals*—Revs. Bickle. *Alternates*—Revs. C. H Pershiem, S. Rothrock, W. Kimball, L. C. Groseclose.

LAY DELEGATES.—*Principals*—Dr. P. A Sifford, Col. P. N. Heilig, Mr. H. B. Eilers, T. M. Shoffner. *Alternates*—Maj L. G. Heilig, Capt. J. A. Fisher, Mr. G. L. Greeson, W. L. Kistler.

An election for Corresponding Delegates to South Carolina Synod resulted in the selection of Rev. A D. L. Moser, Rev D. I. Dreher, Alternate.

An election for Corresponding Delegate to the Tennesse Synod, resulted in favor of Rev. W. H Cone, Principal, and Rev. S. Rothrock, Alternate,

An election for determining the most suitable time of holding the regular meetings of Synod, which resulted in the selection of the month of August. This change from the first Sunday of May to the last of August, will no doubt meet with the hearty approval of all concerned, as the annual conventions will be hereafter held at a very leisure season, and at a time, too, when there cannot be complaint made of scarcity of "vegetables and young chickens," for which it is said ministers have an unusual "fondness."

ST. AUGUSTINE NORMAL SCHOOL.

The energetic and able Principal of his School, Rev Dr. Smith, calls our attention to this enterprise. The School is very handsomely located and fitted up about a mile from this city, and is the product of the charity of a number of Northern, people, interested in the education training of the colored people. Rev. Dr. Smith is the principal, aided by a corps of teachers. The school is designed for the education of colored teachers, male and female, and opens on Wednesday the 29th of the present moth. Applicants for entrance, must be able to read and write, and to understand the four primary rules of arithmetic. Tuition and the use of books will be free, and as far as the funds of the institution will allow, the poor will be aided by the Principal, but those who are able to pay their board and furnish their clothing, will be required to do so.

St. Augustine is an Episcopal School, being established by the liberality chiefly of Northern Episcopalians, is under the charge of an Episcopal minister, and under the patronage of Bishop Atkinson and the Prot. Epis. Church of this diocese. It is an excellent charity and proposes a good work. The groundless prejudices of the colored people towards the whites, render it almost impossible to reach them fully and efficiently by white teachers. It is important, therefore, that their teachers should be properly instructed, to save them from ignorant, incompetent or vicious teachers. We should be glad to see schools of this kind established by all the Protestant denominations of the South. It must be done to counteract the purposes of the Pope of Rome, who will seek to Romanize the Southern negroes, by the aid of colored priests educated for the purpose.—*Episcopal Methodist.*

VIRGINIA REPUBLICANISM,

The Petersburg *Express*, almost the only paper in Virginia that held out to the last in opposition to reconstruction and in its support of Democracy, has renounced its former course. The *Express* thus expresses itself concerning the Democratic party:

The Democratic party, so far from having any claim upon us, are already in our debt. For having basely betrayed and deserted us in a war which they themselves instigated and assisted us in bringing about, they either stood by as passive witnesses of the struggle, or else engaged in it, as active participants, against us. And if, since the close of hostilities, their conduct towards us has been marked by any liberality, it has only been the cheap expenditure of bad advice, which, until we discovered our error, was leading us as rapidly as possible into the crime and folly of political suicide. So far, the Northern Democracy have never rendered us the very slightest service, but they *have* always been on the *qui vive* to find out how they could most advantageously use us for for their own interested purposes. We therefore have neither sympathy nor affinity with them, nor shall we have until it happens that their cooperation may be made subservient to some peculiar interest of our own—which may never happen at all.

The *Express* then declares in favor of what it terms "moderate Republicanism."

A TRIBUTE OF RESPECT.

We cheerfully publish the following resolutions passed by the members of the Bar in attendance upon the Guilford County Court.

The report of the meeting is as follows:

A meeting of the Bar and the citizens of Guilford county took place at the Court House on the 14th instant, it being Tuesday of the Superior Court. On motion of Ralph Gorrell, Esq., Hon. James T. Morehead was called to the chair, and Levi M. Scott, Esq., was requested to act as Secretary.

Mr. Morehead on taking the chair, in a few appropriate remarks, announced the object of the meeting, which was to pay a tribute of respect to the memory of Hon. Wm. A. Graham, a man of indomitable will. He gave many interesting reminiscences of his intercourse with the deceased.

On motion, a committee of five, consisting of Hon. Wm. A. Graham, C. P. Mendenhall, Esq., Hon. John Kerr, Hon. James M. Leach and Jos. Mastin, Esq., were appointed to report resolutions. The Committee reported the following which were unanimously adopted:

WHEREAS, That the Members of the Bar in attendance on Guilford Superior Court at Fall Term, 1869, and the citizens of Guilford county, of which Gov. Worth was a native, having been informed of the death of that distinguished and highly esteemed gentleman, deemed it fit to give public expression to the feelings with which they are inspired by this melancholy event. Therefore it is

Resolved, That we, who are here assembled, have received with sincere sorrow the intelligence of the death of the Honorable Jonathan Worth at his residence in Raleigh on the night of the 5th of September inst; and we tender to his surviving family our sincere sympathy in their and bereavement.

Resolved, That as a member of the legal profession, as a publick-spirited citizen of the State, and in the various public trusts with which he was at different times invested, terminating with the chief magistracy of the Republic, Governor Worth exhibited talent and virtues which inspired the esteem and affection of his associates, and commanded the respect and gratitude of the good people of North Carolina. Called to administer the Government at a period of peculiar difficulty and embarrassment, he manifested abilities commensurate with the crisis, faculties rarely equalled, spirit of moderation and charity, of sincere desire for peace and conciliation among the people of the different States of the Union, and a devotion to the honor and welfare of the people of North Carolina, worthy of commendation.

Resolved, That we will cherish his memory as that of a most benevolent and useful citizen, an upright and intelligent practitioner of the law and a faithful, able and trustworthy public servant.

Resolved, That a copy of these resolutions be communicated by the chairman of this meeting to the widow of Gov. Worth, with assurances of our condolences and best wishes for her prosperity and happiness.

Resolved, That these resolutions be published in the newspapers of Greensboro', and that the other papers of the State be requested to copy the same.

Pending the adoption of the resolution, appropriate and eloquent addresses were delivered by Hon. Hon. Wm. A. Graham and D. F. Caldwell, Esq.

JAMES T. MOREHEAD.
Chairman.

LEVI M. SCOTT, Sec'y.

A SAD CASE.—A very poor family passed through Wytheville, Virgina, a few days since, and encamped in an old field near the town. During the night, with no shelter from the rain, the mother gave birth to four children. The Bristol News, in giving the item, says that the husband was too lazy to even carry straw from a neighboring back yard to make the woman a rude bed.

Boutwell says the relations between Rawlins and himself was never for a moment interrupted by unkindness.

In Aiken, S. C., on Tuesday last, John Holly was shot and killed by an employee of his named Mallory, whom he had refused permission to ride on an overloaded dray he was driving.

ON ACCOUNT of the great number of wonderful CURES of *obstinate* and *inveterate* cases of SCROFUSA, DYSPEPSIA, LIVER DISEASE, KIDNEY AFFECTIONS, GENERAL BAD HEALTH, &c., made by the *celebrated* "KOSKOO," it has won the *enviable reputation* of being the *best* and *most popular* medicine *ever discovered*. It is daily prescribed by physicians, and recommended by many thousands of our best citizens. For sale by Druggists and Merchants everywhere.

PLANTATION BITTERS.

This wonderful vegetable restorative is the sheet-anchor of the feeble and debilitated. As a tonic and cordial for the aged and languid it has no equal among stomachics. As a remedy for the nervous weakness to which women are especially subject, it is superseding every other stimulant. In all climates, tropical, temperate or frigid, it acts as a specific in every species of disorder which undermines the bodily strength and breaks down the animal spirits.

Wherever it is introduced it becomes a standard article—a medicinal staple. It is to-day the best and purest tonic, and the most popular medicine in the civilized world—be sure and get the genuine. Sold by all Druggists, Grocers and Country Stores.
