EXHIBITION.
For the Old North State.

A grand speech and musical exhibition of the Sabbath School and Day School Scholars connected with the Church Street Presbyterian Church, will take place on Thursday evening, the 26th inst., at 7 o'clock, at the Court House, or if the weather is favorable, in the Town Hall in this place.

As it is expected to be the most interesting and successful exhibition ever held among the colored people of this place, and as the proceeds are to aid in liquidating the debt contracted by late repairs to the church building, the exhibition should be made good by the families of the public.

Tickets for adults 25 cents. For children 10 cents. They can be purchased at the Barber Shops of Messrs. William Valentine and Burton McNeely, and at the Book Store of Mr. J. H. Emis, where the programmes can be seen.

On yesterday our city was thrown into great excitement by the report that one of our country men, Mr. Andrew Greene, had been shot and killed by his brother, Dr. Wm. Greene. After an investigation of the rumor, we learned these facts: A difficulty, or misunderstanding sprung up between these parties, in regard to some hops, and that Dr. Greene did shoot at and wound his brother, Andrew, in the thigh. The wound is painful, but the physician, Dr. Wm. H. McKee, who was called in, testified before his Honor Mayor Harrison, that he did not think it dangerous—whereupon Dr. Greene was required to find bail in a bond of \$2,500 for his appearance.—Standard.

CHURCH BURN.—We regret to learn that Sugar Creek Presbyterian Church, about three miles from this city, was destroyed by fire on Thursday night last. As there had been no fire in the building since the Sunday previous, it must have been the work of an incendiary. It is a great loss to the neighborhood, as it was one of the best country Churches in the county, being built of brick, and had just recently been repaired.—Charlotte Democrat.

THE N. C. CITIZEN.—We have received the first number of the above named paper, just started at Asheville, N. C., by R. A. Shotwell, Esq. The Citizen is edited with ability, and is handsomely printed. In politics it is Conservative.

NOTIFIED THEM.—His Excellency, Gov. Holden, has published proclamations in the Raleigh Sentinel and Standard for George W. Swenson and M. S. Littlefield, notifying them to make report at Raleigh to the management and disposal of the State Bonds issued to them for Railroad purposes.

We do not think that anything will be hazarded by the prediction that Littlefield will fail to make the required report, and that he will fail to appear before the investigation Committee.

Golden Piece.—The Masonic apron is said to be more ancient than the badge of any other honorable institution. It was used before the Greeks and Romans had a name. The Argonautic expedition is generally believed to be a figurative account of the deluge; and the apron is unquestionably older than the event. It is a worn, therefore, before the establishment of the species Free Masonry. We are certain from undeniable authority, that the apron was the first species of clothing with which mankind were acquainted, and was adopted before the expulsion of our progenitor from the Garden of Eden. When they had violated the original compact their eyes were opened to a sense of grief and shame, and they saw that they were naked. Decency suggested the necessary expedient of covering themselves with aprons. It is therefore said with great propriety that the apron is more ancient than the golden fleece or Roman Eagle.—Free Mason, London.

Singling and Fatal Accident.—We learn that Jas. Clapp, son of Jerry Clapp, Esq., of this county, was killed last Friday, in the neighborhood of Brick Church by a tree falling on him. The particulars, as near as we can get them, are: Mr. C. had started to the woods for fuel, and while on his wagon a large hickory tree was blown down and fell on him, breaking his neck, back and head. He was found, it is supposed, about an hour after the accident happened, lying on his wagon, the horses having remained quietly in the road, apparently not having attempted to move after the tree fell. The deceased was a young man of good character, aged about 25, and leaves a wife and one child.—Greensboro Patriot.

The Lancaster Ledger says: "It is estimated that not less than one thousand horses and mules have passed through this place during the last two months. Prices are somewhat lower than last fall, though upon the whole the stock exhibited are inferior. We believe our farmers and others are now well supplied in horse-flesh."

Good Prices.—At an administrator's sale in Stokes County last week, common mules sold for \$125 apiece, and other property in proportion. A credit of six months.
Winston Sentinel.

The Hillsboro Murders.—We learn from Solicitor Balla, says the Greensboro Patriot, that both Bob Gunn and Young, who murdered Mr. Blaylock some few weeks since, have been convicted, and will be hanged on the 1st day of April next. Lutterloh, alias Malloy, proved an alibi and was acquitted.

A woman, (negro) was also convicted last week for the murder of her husband; and will "stretch hemp" about the same time.

Sad Accident.—We are pained to learn that Mr. J. L. Brown, of Greensboro, U. S. Storekeeper, was suddenly killed at Durham Friday night, in an attempt to jump from the train while it was in motion. He fell under the train and was run over.
Raleigh Standard.

The Lord Mayor of London, at a recent meeting to promote emigration, estimated the number of skilled workmen out of employment in England at between 70,000 and 80,000.

Indianapolis girls are smarter than the boys. At a spelling match in the high school there recently the girls beat the boys three to one.

Miss Lydia Thompson, of blonde fame, gave a grand supper recently to the members of the New Orleans press.

THE LEGISLATURE OF N. CAROLINA.

SENATE. MONDAY, Feb. 14th.

The Senate was called to order at 10 o'clock.

Mr. Welker presented a majority report from a special committee, adverse to the passage of the bill to provide for calling a convention of the people of North Carolina, concurred in by Messrs. Jones, of Wake, and Lenoir.

Mr. Robbins presented a minority report of considerable length, concurred in by Mr. Murphy.

Mr. Scott moved that two copies of the reports be printed for the use of each Senator.

After some discussion the original proposition to print was voted down.

BILLS INTRODUCED.
By Mr. Martindale: Bill to abolish the Penitentiary Commission, and places their duties in the hands of the Superintendent of Public Works and gives him additional clerical services.

Mr. Welker moved a suspension of the rules in order to put the bill on its several readings, which was voted down.

Mr. Foraker moved its reference to the Committee on Public Buildings, which motion prevailed.

By Mr. Blythe: Resolution proposing to raise a joint committee to superintend all the Public Printing for the use of the General Assembly; lies over.

By Mr. Welker: Resolution instructing the Committee on Public Printing to make proposals to make arrangements to have the printing and binding of the State executed on the best terms; lies over.

By Mr. Robbins: Resolution instructing the Clerk of the Senate to advertise for sealed proposals to do the Public Printing, said proposals to be addressed to the President of the Senate and to be opened in three days after the adoption of the Resolution, and the lowest bidder shall do the work; lies over.

By Mr. Moore, of Yancey: Resolution proposing to adjourn sine die on the 28th of February; lies over.

By Mr. Love: Resolved, That the Auditor be, and he is hereby requested, to inform the Senate, on or before the 22nd inst., what is the value of the ice furnished the Departments of the State during the year 1869; what precedent he has for this expenditure, prior to July 1st, 1868, and that he give the words of the statute under which it is allowed.

Resolved, further, That he be again requested to furnish the Senate with an itemized account of the expenditures on Capitol Square for the year ending Sept. 30, 1869, and since then to Feb. 10, 1870, which was adopted.

RESOLUTIONS AND BILLS.
Bill to suspend the first six divisions of chapter 45 of the Revised Code and title 11 of the Code of Civil Procedure.

Mr. Graham moved to postpone its further consideration until to-morrow at 12 o'clock; lies over.

Mr. Stephens moved its indefinite postponement; prevailed.

SPECIAL ORDER.
An act (by Mr. Graham,) to repeal certain acts passed at the session of 1868 and 1869, making appropriations to Railroad Companies, and a substitute (by Mr. Cook) similar to the original bill, with an exception in case of the North Western North Carolina Railroad.

A ballot being taken the House sustained the call for the previous question by a vote of yeas 37, nays 32.

Following the adoption of the resolution the following ballot was had: Yeas 48, Nays—Vest-1 (No quorum).

Mr. Welch said the last two ballots showed that a quorum was present, and certain members were dodging in the lobby to defeat this resolution. He wanted the people of the State to know the men who were maneuvering to add themselves upon them for four years.

On motion of Mr. Jones, a resolution was introduced into the House declaring in substance that the term of office of the present General Assembly ends on the first Thursday in August 1870. This resolution was referred to the House Committee on Privileges and Elections.

Subsequent to the opinion of the Judges of the Supreme Court, on the same question was sought by the General Assembly. Soon after the answer of the Justices, a meeting was held of the Committee on Privileges and Elections, by which it appeared that nine members of the committee were favorable to a short term.—As there was no contrary opinion in the committee, and none in the whole House, so far as I know, I thought it would be a work of supererogation to make a formal written report and I so stated in this House. Very lately I have heard with surprise, that an effort was being made to commit members of this House to an opinion favorable to the long term. For this reason I supported this morning a suspension of the rules to take up the resolution of the gentleman from Haywood. I wished to-day, to put at rest for all time in this House, the question of the tenure of office of the General Assembly.

Mr. Moore, of Chowan, moved to suspend the rules and take up the Senate bill, for the better protection of the States' interest as a stockholder in the N. C. R.

The motion was carried to vote and adopted. (The bill provides that directors representing the States' interest call a meeting of directors of said road within ten days after the ratification of this bill, and to vote for a distribution of dividends as the surplus earnings for the year past. The said surplus earnings shall not be devoted to the payment of debt not due. That any one or more of said Directors refused to obey the instructions herein contained if the Governor authorized and requested to remove such Director or Directors without delay.)

That the Secretary of State be instructed to deliver to each of the Directors a certified copy of this bill within five days after its ratification.

Mr. Jarvis offered the following proviso: "Provided: The said surplus earnings shall be applied exclusively to the paying interest of the State bonds issued for the construction of said road."

On motion of Mr. Moore, of Chowan, the previous question was called, and Mr. Jarvis' proviso was rejected and the bill passed its second reading by a vote of yeas 47, nays 18.

Mr. Durham moved to amend the bill, providing: "Provided: That the dividends due the State shall be applied to the payment of the appropriations made to the Insane Asylum and the institution of the Deaf, Dumb and Blind. Mr. Durham, offered this amendment, and that the bill be amended by being burdened by a special tax for the support of those institutions.

On motion of Mr. Moore, of Chowan, the previous question was called.

Mr. Durham moved to strike out to vote and rejected by a vote of yeas 27 nays 42 (a party vote with few exceptions.) The bill then passed its third reading by a vote of yeas 57 nays 24 (also a party vote with some exceptions.)

Resolved: That the yeas and nays be taken up his resolution requesting the Commission appointed to investigate alleged frauds to make a full or partial report to the General Assembly on or before the 1st of March 1870, and after that monthly to the Governor.

After some debate the motion was adopted.

Mr. Skilley moved to strike out the latter part of the resolution so as to make the Commission report to the General Assembly by the 1st day of March.

Mr. Durham said that this amendment would limit the action of the commission to about 13 days. He thought it would be better to have the commission report to the Governor with reference to the investigation of frauds by the commission recently organized.

Reynolds, col., opposed the amendment.

Reynolds, col., favored it.

On motion of Mr. Poe, the matter was referred to the committee on the Judiciary with instructions to report to-morrow morning.

On motion of Harris, of Wake, col., the rules were suspended and the bill laying a special tax for the support of the Insane Asylum and the Deaf, Dumb and Blind Asylum, was taken up.

Mr. Durham said that in view of the passage of a bill calling into the Treasury dividends of the N. C. Railroad, he would move to postpone this bill until Wednesday week, in order that the House might know the amount so obtained, and it might be large enough to relieve the necessities of the two Asylums. He did not think members should be so greedy for their *pro rata* as to recklessly saddle the people with additional taxes, &c.

After some debate Mr. Durham's motion was rejected by a vote of yeas 31, nays 36.

The bill then passed its second reading by a vote of yeas 38, nays 33.

On motion of Mr. Argo, the rules were suspended and the bill to authorize the Commissioners of Orange, to issue bonds was taken up and passed its second reading by a vote of yeas 63, nays 0.

The House then adjourned.

SENATE.
Monday, Feb. 14th, 1870.

Senate met at 7 o'clock.

The question was upon Mr. Cook's substitute to Mr. Graham's bill repealing the Railroad Appropriations. The measure was debated at length; the substitute being the same as the original bill except in details.

Messrs. Robbins, Cook and Graham spoke in favor of the repeal; Messrs. Foraker and Smith against.

The substitute was adopted yeas 25, nays 12.

HOUSE OF REPRESENTATIVES.

MONDAY, FEB. 14, 1870.

A message was received from the Senate transmitting various bills and resolutions, all which were appropriately disposed of.

On motion of Mr. French the bill concerning constables was referred to the Judiciary Committee.

On motion of Mr. Shaver, the rules were suspended and the resolution in favor of Henderson and Knads, was taken up, and passed its second reading.

On motion of Mr. Bowman, the rules were suspended and the bill incorporating the N. C. Sanitarium Company, was taken up and passed its several readings.

On motion of Harris, of Wake, col., the rules were suspended and the bill to prevent the sale of Homesteads was taken up and replaced upon the Calendar.

On motion of Mr. French, the rules were suspended and the bill to incorporate the Mechanics Building and Loan Association, was taken up and passed its several readings.

After the passage of various unimportant bills of a local nature, the House adjourned.

SENATE.
Tuesday, Feb. 14, 1870.

The Senate was called to order at 10 o'clock.

By Mr. Smith, (Republican), resolution in relation to Investigation Committees, to wit:

Whereas, The Senate on the evening of the 14th day of February 1870, by a small majority did pass a bill calling in all the notaries of this State; and whereas, It is regarded by all prudent men as a direct and positive violation of the honestly contracted debt of the State, and whereas, It is now more than necessary to put out any further sums of money for the prosecution of the alleged Railroad frauds.

Resolved, that the Senate of the House of Representatives concurring, that all the committees appointed by either branch of this General Assembly be and the same are hereby ordered to cease all further investigation in said alleged frauds.

Resolved further, that a copy of these resolutions be published in the Raleigh Standard for the information of all concerned.—Lies over.

On motion of Mr. Jones, of Columbus, the rules were suspended and the bill to increase the salary of Supreme Court Judges to \$3,000 was taken up.

SPECIAL ORDER.

Mr. White (for the Civil Commissioners) offered a substitute for the bill, providing for the election at the same time and place of members of Congress, Legislature, county Treasurer, Register of Deeds, county Surveyors, and Attorney General.

Mr. Graham moved to amend the substitute by including the election of Sheriff and Coroner at the same time and place, which was adopted.

On motion of Mr. Jones, of Wake, its further consideration was postponed until Thursday next at 12 o'clock.

On Motion of Mr. Love, the committee on Public Printing was authorized to have the bill printed.

On motion of Mr. Jones, of Mecklenburg, the rules were suspended, and the bill declaratory of the cases which an act entitled an act concerning the settlement of the estate of deceased persons, chap. 113, acts of 1868-69 was taken up.

A motion to lay on the table, made by Mr. Foraker, failed, yeas 15, nays 16.

The bill was amended in several particulars and passed its second reading.

Pending its further consideration the Senate adjourned until 7 o'clock this evening.

HOUSE OF REPRESENTATIVES.
Feb. 15th, 1870.

House assembled at the usual hour.

Mr. Vestal moved to suspend the rules and take up his resolution, adjourning sine die on the 28th inst.

The motion to suspend the rules was adopted by a vote of yeas 62, nays 1.

The resolution was adopted by a vote of yeas 55, nays 23.

On motion of Mr. Ashworth, the rules were suspended, and the bill to allow Justices of the Peace to take private examination of married women, was taken up, amended, and passed its several readings.
