Over the river they backon to me, Loved ones whe've passed to the other side, The gleam of their snowy robes I see, But their voices are lost in the dashing tide. There's one with ringlets of sunny gold, And eye's the reflection of heaven's own blue, He crossed in the twilight grey and cold, And the pale mist hid him from mortal view. We saw not the angels who met him there, The gates of the city we could not see ; Over the river, over the river, My brother stands ready to welcome me.

Over the river the bostman pale, arried another, the household pet; Her bright curls waved in the gale, Darling Minnie I see her yet. she crossed on her bosom her dimpled hands. And fearlessly entered the phantom bark ; We watched it glide from the silvet sands, And all our sunshine grew strangely dark. We know she is safe on the other side. Where all the ransomed and angels be; Over the river, the mystic river, My childhood's idols are waiting for me.

For none return from those quiet shores, Who cross with the boatman cold and pale; We hear the dip of the golden oars, We catch a gleam of the snowy sail, And lo! they have passed from our heart-They cross the stream and are gone for aye! We cannot sunder the veil apart, That hides from our vision the gates of day; We only know that their bark no more Shall sail with ours on life's stormy sea, Yet somehow I hope on the unseen shore They watch and becken and wait for me.

And I sit and think when the sunset's gold Is flushing river and hill and shore, I shall one day stand by the water cold, And list to the sound of the boatman's oar; I shall watch for the gleam of the flapping sail, I shall hear the boat as it gains the strands, I shall pass from sight with the boatman pale To the better shore of the spirit land! I shall know the loved who have gone before, And joyfully sweet shall the meeting be, When over the river, the peaceful river, The Angels of death shall carry me.

FOR BRONCH AL AND LIVER DI-SEASES read the following:

Thomas H. Hainey. Esq. Granville co., N. C., says. "I find your Pills to be the best family medicine I have ever used. They have proved very beneficial in my own ease." I have been very much afflicted for fifteen years, and have tried every kind of medicine that I could get, but have found more relief from your Pills then all others. My disease is been clearly affecting and all others. bronchial affliction, and a complete prostration of the nervous system. I have used them in ten or fit-teen cases in my family, and find them to be the very medicine for nearly all family diseases.

The Cure is Thorough.

Renneth Haynes, Esq., Clerk of Columbus county count, writes (April 2, 1863.) "During the latter part of the year 1862 I was severely afflicted with diseased liver and many nights while in bed the pain would become so exeruciating that I was compelled to get out of bed and sit up 'until the pain would subside. I procured a few boxes of the SOUTHERN HEPATIC PHILLS, and the first dose I took gave me great relief. I continued to use the Pills for two weeks, and have not suffered from liver disease since. I have recommended them accordingly, and several persons are in want of them.
