Be kind to the erring, the humble, the meek,
'Tie the coward alone would trample the weak
Ye know not how deeply the past they deplore
In charity cover ther sins evermore. Be kind to the erring, the lowly, the sad; Oft circumstances ruleth, whose chain driveth

Enriching thy coffers to wither thine heart; Take warning by thousands on yonder dark

Remember, thy soul must exist evermore. Cherish good for itself, nor measure thy gain, Such motives are sordielly selfish and vain ; In deeds blessing all, and with heart gushing

Flowing on to the ocean of love evermore. Religion is naught, all pretentions are vain, If works are still wanting, ah! where is thy gain?
As bark east away on some desolate shore,

As wreck on the deep, thou art gone evermore The days fleet away as the meteor's gleom; Flashing bright for a moment they fade as

Yea, dream though it by, yet on far distant shore Shall in thunders re-echo the past evermore. As flower dost thou blossom, mere thing of a

day, As breath of the flower thou wilt vanish away Let love be thy motto this weary life o'er,

dle away, we still hold the title deed of a plot of ground, in some remote locality, it may be, to which we can retire, and by hard physical exertion gain from it bread for ourselves and one little from robust frames, a good appetite, sound sleep, and independent circumstances? We think not, and for the same reason we judge that farming is not beneath any pursuit whatever, it all for ourselves and our little ones.

In this great city, we are surrounded by thousands who do not own so much land as would suffice to bury them in, but upon Clingman like a thousand of bricks, who would quickly resent our accusation now that he has gone over to the Radiwere we therefore to charge them with im- cals. CIGARS MADE BY MACHINERY.

The nimble finger and the dexterons hand have hitherto been held the only tool to wrap and shape tobacco leaves into the orthodox form of the cigar. But just as it was found that fingers were not the most econominal manipulators of the sewing needle, so it is now dawning upon the fabricators of choice Havanas that human digits may be profitably superseded by mechanism for bunching, binding and rapping the eigars. Eighteen dollars a Ah! boast not thy virtue, but con thy heart o'er, Communion with self crusheth pride evermore. labor; and we are told that that is about the cost of making prime eigars, to say nothing of the tax upon the master manufacturer inflicted by his hands, who each smoke some eight or ten of the best weeds per diem. "No wonder machinery should be thought of. It is rather surprising its aid was not invoked long ago; but its time has come, and a cigar machine company has started with a flourish in New York. The implement they manufacture has been reduced to its present state of compactness and practicability by the combined agency of seven simplifying patents. Its essential parts are two pairs of parallel rollers, ranged one pair over the other, and with their surfaces-hollowed to a cavity corresponding to the desired outlers are set rotating by a little wheel work; for they had fought so long. To-day driven by a treadle, like a sawing machine; and when a banch of tobacco leuf vilians would let them. There is a perine of the cir ir to be formed. These rolis placed between them it is rapidly turn- sonage more ferocious and implicable than Then in sunshine of love will thou back ever- ed and pressed into the proper spindle the flercest soldiery-it is the man who form. A strip of fine strong leaf is then staid at home and never smelt gunpowform. A strip of fine strong leaf is then gummed along the edge and inserted at one end of the machine; this is instantly coiled around the shaped mass of leaves coiled around the shaped mass of leaves glory, and we are watching you!"

| Stand at home and here rest fought, chapped has been shaped mass on the battle field, his companions surject on and leaf him shore. They knew boys! You are covering yourselves with glory, and we are watching you!" The man who owns a spot of land coiled around the shaped mass of leaves large enough, when cultivated, to yields and twisted to a point, and the cigar is him the food he requires can be as truly finished. A THUR SKETCH .- John Esten Cooke. in his new book, "Hammer and Rapier,"

The day passed, and the night-on the 10th the army surrendered formally, stack-ed arms, abandoned their columns, and dispersed to their homes. The Federal commander had acted throughout all with the generosity of a soldier and the breeding of a gentleman. Not a cheer was heard, not a band played in the Fuderal army. When far off a shout rose over the wood, one of the Federal officers has tened to apologize for it.
"That is the rear-guard - those fellows.

did none of the fighting," said her Those who fought-the veteran army. of the Potomae, tried in battle, in victory, in defeat, in all the hard life of the so'dier -they did not cheer when their old acversaries surrendered. They were silen', and saluted when a ragged Confederate passed. They felt what surrender must ute. be to the men of that army which they had fought for years - and not a cheer or a brass band was heard ?

CONSOLIDATION. PIEDMONT AND ARLINGTON LIFE INSURANCE CO'Y.,

OF RICHMOND, YA. 

Showing a success beyond precedent. Issues policies on Mutual, Non-Forfeiting and all the most desirable plans. Dividends paid out on Life Policies, 40 per cent., which proves the economy of its management and its careful selection of risks. W. C. CARRINGTON, PRESIDENT.
JOHN E. EDWARDS, VICE PRESIDENT. D. J HARTSOOK, ..... SECRETARY.

THE CONSOLIDATION of the two most popular Southern Companies is full of advantages to the policy holders of both Companies. Its expenditures will be less, and with less relative risk.

The future dividends will be more certain, and probably greater in amount, and a better reserred fund created. No Right of old policy holders will be effected; they will continue to pay the same rule as be-

fore; to hold the same policies as before; to have the same rights, henefits and privileges as be fore, and have equal present security with greater future benefits than before. All renewals of old policies will be in name of new company.

This Company has met with a success beyond all parallel in Life Insurance, and now offers to the Southern public a **Ecome Enterprise** equal to any and surpassed by none.

It advises the payment of all cash premiums, because then divide da will continually decrease each next payment, until nothing will be required, and the policy may be a source of income; but

t will allow one third loan on participating policies.

It requires no notes for leans.

It has no restrictions on residence or travel, all policies are Non-Forfeitable, and the rights of parties guaranteed on the face of the Policy as a part of the contract.

It has the following valuable features which no other company gives: The late war taught many Southern men, insmed in Northern companies, the penalty of being separated from the Home Office, by having all their past payments forfeited. This company guards against this in har policies, and in the event of r. separation from its office by any intervention, guarantees to such all the right of Non-Forfeite e paid up policy, surrender value and reinstatement, as though

there had been no such intervening cause. there had been no such intervening cause.

Its permanent investment of funds (as required by the Charter) is in mortgages or leins on Unencumbered Real Estate Worth Double the Amount Loaned, thus offering to the Southern people, a Safe, Surgand Profitable Investment of the \$10,000,000, which are annually sent North for Life Insurance, taking so much from our strength, thereby giving additional power to our op

Pressors.

I appeal to every man and woman in Western North Carolina, desiring to secure to their families the blessed boon of Life I asurance to look well to their interest by examining fully into the superior merits of the "Piedmont and Arlington Life Insurance Company" before hey insure.
