The Old North State

SALISBURY, FRIDAY, JUNE 16, 1871.

For the Old North State.

MAY.

BY MANTIE A. T. MOCK.

The chilling winds have ceased to roar,
Loud sounds the winter's blast no more,
But still we have *Yadkin's* roar;
The wintry winds are blown away,
Now reigns the sweet and pleasant May.

No more the clouds obscure the skies,
The plants and trees in beauty rise,
And wave their flowers to the skies,
When the wintry winds are blown away,
And reigns the sweet and pleasant May.

The hills and fields are clear from snow,
The warm and southern breezes blow;
With life all Nature seems to glow,
When the wintry winds are blown away,
And reigns the sweet and pleasant May.

The harmless dove, melodious sounds!
Her lovely voice to all resounds,
And echoes through the hills around.
When the wintry winds are blown away,
And reigns the sweet and pleasant May.

And happy birds upon the wing!
And now upon the trees they sing,
Rejoicing in the coming spring,
When the wintry winds are blown away,
And reigns the sweet and pleasant May.

All Nature dances with delight,
And angels bless the happy sight,
From realms of pure celestial light,
When the wintry winds are blown away,
And reigns the sweet and pleasant May.

A THRILLING REMINISCENCE.

At the celebration in Charlotte on the 20th, Gen. Young, the Mayor of the city, in his address of welcome to the Fire Companies, related the following exciting and touching incident, which we clip from the *Observer*:

"Years ago, a young gentlemen, a friend of mine, was in attendance upon the Legislature in Raleigh, as a member from the county of Iredell. In the dead hours of a winter night the sleeping city was around by the peals of the bell. A general rush was made to the scene of conflagration, and amongst the foremost was this gentleman, whose strong sympathetic nature impelled him to a prompt tender of aid wherever a call might be made.

Upon arriving at the scene, the dwelling of Mr. Hardy, a most respectable citizen of the city, was found to be enveloped in flames. From the windows the leaping flames sent up their lurid light, rendering the surrounding darkness hideous, and black volumes of smoke escaping through the roof told the fearful progress of the fire. This was a prospect calculated to appal stout hearts. But immediately in front of the burning ruin was another which went more immediately to the heart of my friend. It was a young mother, in the dishabille in which she had escaped from her chamber, struggling to release herself from the from the restraint of friends, for the purpose of rushing into the burning building to rescue her infant, which in the hurry of retreat, had been left sleeping in its cradle. At once every sympathy and impulse of a nature, noble and generous to a fault, was aroused; and impelled by a purpose to rescue the child or perish in the attempt, he was seen to dash through the black smoke which issued from the doorway, and disappear in the burning mass, as it was believed by the horrified spectators, forever; but after a long moment of agonizing suspense, he bounded from the flaming mass into the street and restored to the maternal bosom, where the flame of affection and anguish were burning with an intensity equal to that which was consuming her home, her infant son, unharmed. There, on that instant, the rescued infant received the name of his deliverer, and, for aught I know, he may be a member of the Raleigh 'Rescue' Fire Company."

Capt. Gorman, of the "Rescue" Company, being on the stand, rose and replied to the Mayor that he was a member of his Company, and was present. Then the Mayor continued:

"He bears the honored name of Pickney Caldwell Hardy. This was heroism worthy of laurels as imperishable as those which encircle the brow of the victorious warrior."

Among all the solemn and beautiful death bed scenes of which we have heard and read, none are surrounded with a brighter halo of tenderness and sanctity than the death of Rev. Benjamin Eaton, of Galveston, who died in his pulpit in that city a few days ago. Ascending the desk and announcinghis text: "There is still room," he touchingly referred to the friends who one after another had gone before, painted Death entering the church door: passing up the aisle, laying his hand to the right and to the left, and leading the people away. Growing apparently entranced, as though the spectre which his eloquence had painted was plain and vivid before his eyes he advanced while speaking to the chancel rails: There he faltered and staggered. A gentleman who came to his assistance was waved back, and for the period of ten minutes he continued to speak, although audible only to those near him. The excitement of the audience was intence; three times he struggled to proceed, exclaiming "I am very weak, but I must go on." At last, as he raised his hands to pronounce the benediction he fell into the arms of a friend, dying with the words "To God, the Father," on his lips. Surely this, if not translation, it is closely allied to it. It is too holy for comment.

A citizen of Connecticut, being unexpectedly called upon to address a Sunday school, rose to his feet in some confusion, and after several desperate but vain efforts to say something appropriate,hoarsely murmured, "Dear children, never fool with powder."

A white garment appears worse with a little soiling than do colored garments much soiled—so a little fault in a good, attracts more attention than great offenses in a bad man.

A traveler, we are told, being in a wild country, where he could find no provisions for himself or dog, cut off the dog's tail and boiled it for his own supper, and gave the dog the bone

H

These Pills are the most delightfully pleasant purgative, superseding castor oil, salts, magnesia, etc. There is nothing more acceptable to the stomach. They give tone and cause neither nausea nor griping pains. They are composed of the finest ingredients, after a few days use of them such an invigoration of the entire system takes place as to appear miraculous to the weak and enervated, whether arising from imprudence or disease. H. T. Helmbold's Compound Extract Catawba Grape Pills are not sugar-coated, from the fact that sugar-coated Pills do not dissolve, but pass through the stomach without dissolving, consequently do not produce the desired effect. The Catawba Grape Pills being pleasant in taste and odor do not necessitate their being sugar-coated. Price FIFTY CENTS PER BOX.

It gives the complexion a clear and healthy color and restores the patient to a state of Health and Purity. For purifying the blood, removing all chronic constitutional Diseases arising from an impure state of the blood, and the only reliable and effectual known remedy for the cure of pains and swelling of the bones, Ulcerations of the throat and legs Blotches, Pimples on the face, Erysipelas and all scaly Eruptions of the skin, and Beautifying the complexion.

Irritation of the neck of the Bladder and inflammation of the Kidneys, Ulceration of the Kidneys and Bladder, Retention of Urine, diseases of the Prostrate Gland, Stone in the Bladder, Calculus, gravel, brick-dust deposit, and Mucous or milky discharges, and for enfeebled and delicate constitutions of both sexes, attended with the following symptoms: Indisposition to exertion, loss of power, loss of memory, difficulty of breathing, weak nerves, trembling, horror of disease, wakefulness, dimness of vision, pain in the back, hot hands, flushing of the body, dryness of the skin, eruption on the face, pallid countenance, universal lassitude of the Muscular system, etc.

Used by persons from the ages of eighteen to twenty five, and from thirty-five to fifty-five in the decline or change of life; after confinement or labor pains, bed-wetting in children.

B

Helmbold's Extract Buchu is Diuretic and blood-purifying, and cures all diseases arising from habits of dissipation, and excesses and imprudence in life, impurities of the blood, etc., superseding Copaiba in affections for which it is used, and syphilitic affections—in these diseases used in connection with Helmbold's Rose wash.

LADIES.

In many affections peculiar to Ladies, the Extract Buchu is unequalled by any other remedy—as in chlorosis or retention, irregularity, painfulness or suppression of customary evacuations, ulcerated or schirrus state of the uterus, leucorrhœa or whites, sterility, and for all complaints incident to the sex, whether arising from indiscretion or habits of dissipation. It is prescribed extensively by the most eminent physicians and Midwives for enfeebled and delicate constitutions of both sexes and all ages (attended with any of the above symptoms.

O

H. T. Helmbold's Extract Buchu Cures Diseases arising from Imprudences, Habits of Dissipation, etc.

in all their stages, at little expense, little or no change in diet, no inconvenience, and no exposure. It causes a frequent desire and gives strength to Urinate, thereby removing obstructions preventing and curing strictures of the Urethra, allaying pains and inflammation so frequent in this class of diseases, and expelling all poisonous matter.

Thousands who have been the victims of incompetent physicans and who have paid heavy fees to be cured in a short time, have found that they have been deceived and that the poison has by the use of powerful arrangements, been dried up in the system, to break out in a more aggravated form, and perhaps after Marriage.

Use Helmbold's Extract Buchu for all affections and diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating, and no matter of how long standing. Price, $1.50 PER BOTTLE.

L

HENRY T. HELMBOLD'S

IMPROVED ROSE WASH

cannot be surpassed as a Face Wash, and will be found the only specific remedy in every species of cutaneous affection. It speedily eradicates pimples, spots scorbutic dryness, indurations of the cutaneous membrane, etc., dispels redness and incipient inflammation, hives, rash, moth patches, dryness of scalp or skin, frost bites, and all purposes for which salves or ointments are used; restores the skin to a state of purity and softness, and insures continued healthy action to the tissue of its vessels on which depends the agreeable clearness and vivacity of complexion so much sought and admired. But however valuable as a remedy for existing defects of the skin, H. T. Helmbold's Rose Wash has long sustained its principal claim to unbounded patronage, by possessing qualities which render it a Toilet Appendage of the most superlative and congenial character, combining in an elegant formula those prominent requisites, Safety and Efficacy—the invariable accompaniments of its use—as a Preservative and Refresher of the complexion. It is an excellent Lotion for diseases of a Syphilitic Nature and as an injection for diseases of the Urinary Organs arising from habits of dissipation, used in connection with the Extract of Buchu, Sarsaparilla and Catawba Grape Pills in such diseases as are recommended, cannot be surpassed.

We take pleasure in recommending most earnestly to the support of our Democratic and Conservative friends throughout the country "The Patriot" newspaper, as announced in the foregoing prospectus.

There is no journal at the Capitol through which the voice of opposition can now be heard, or the abuses and inquities of the party in power may be exposed.

Such an organ has become an admitted necessity, which we are persuaded will be ably and satisfactorily supplied by "The Patriot."

This enterprise rests upon a firm foundation, and is entitled to the confidence and favor of all men who desire to redeem the Government from misrule and corruption, and to bring back the principles, simple virtues, and integrity of our forefathers.

The Great Medical Discovery!

Dr. WALKER'S CALIFORNIA

VINEGAR BITTERS,

Hundreds of Thousands

Bear testimony to their wonderful Curative Effects.

WHAT ARE THEY?

THEY ARE NOT A VILE

FANCY DRINK,

made of Poor Rum, Whiskey, Proof Spirits, and Refuse Liquors, doctored, spiced, and sweetened, to please the taste, called "Tonics" "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, **free from all Alcoholic Stimulants.** They are the **GREAT BLOOD PURIFIER** and **LIFE GIVING PRINCIPLE**, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter, and restoring the blood to a healthy condition. No person can take these Bitters, according to directions, and remain long unwell.

$100 will be given for an incurable case, providing the bones are not destroyed by mineral poisons or other means, and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism, and Gout, Dyspepsia, or Indigestion, Bilious, Remittent, and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. **Such Diseases** are caused by **Vitiated Blood**, which is generally produced by derangement of the **Digestive Organs.**

They invigorate the stomach, and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Dyspepsia or Indigestion, Headache, Pain in the shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Copious Discharges of Urine, Pain in the regions of the Kidneys, and a hundred other painful symptoms, which are the offsprings of Dyspepsia, are cured by these Bitters.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE, and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed.

For full directions, read carefully the circular around each bottle, printed in four languages—English, German, French, and Spanish.
