FOLLOW RECORDS FALL NEW JERSEY VOTE BIGGER THAN 1932

NEWARK, N. J., Nov. 4.—(AP)—Rock-ribbed Republican strongholds of the past, joining staunchly Democratic Hudson county, gave New Jersey's sixteen electoral votes to President Roosevelt today by a smashing plurality far exceeding that he won in 1932.

They also apparently elected a Democratic U. S. Senator, giving the State two men of that party in the upper house for the first time in history, so far as available records show.

The Roosevelt plurality topped the quarter million mark and kept going, leaving far behind the previous Democratic presidential high of 32,879 set when Woodrow Wilson, a New Jerseyan, carried the State 24 years ago. Far behind, too, was Roosevelt's mark of 30,988 made in 1932.

Records Fall As Nation Votes

(Continued from page one)
Senator Borah of Idaho and Norris of Nebraska, Independent Republicans, appeared to be escaping the landslide. Senator McNary of Oregon, the Republican leader, was having a hot fight and the veterans Hastings and Metcalf of Rhode Island were beaten.

More Democratic house members instead of fewer seemed in prospect. In many states the issue was in doubt, however. The veteran Representative Florence P. Kahn of California was beaten.

Of the governorships at stake, the Democrats had captured 13, were leading for 14 others; the Republicans took two, were leading for three more.

SMITH SAYS PUT SHOULDER TO WHEEL

NEW YORK, Nov. 4.—(AP)—Alfred E. Smith, former governor and 1928 Democratic nominee for the presidency, who supported Gov. Alf M. Landon in the campaign, issued this statement today:

GEORGIA FILES UP IMPRESSIVE LEAD

ATLANTA, Nov. 4.—(AP)—Democratic Georgia joined the rest of the nation today in counting a landslide vote for the re-election of President Franklin D. Roosevelt.

FLORIDA SWEEP IS GREATER THAN 1932

MISSISSIPPI CASTS NEARLY SOLID VOTE

JACKSON, Miss., Nov. 4.—(AP)—Mississippi piled up an overwhelming vote for the re-election of President.

VIRGINIA BREAKS ALL THE RECORDS

RICHMOND, Va., Nov. 4.—(AP)—Franklin D. Roosevelt received from Virginia the largest majority ever given a candidate with major party opposition in his re-election as president of the United States.

MARYLAND Holding to forecasts and polls. Maryland gave its 8 electoral votes to Roosevelt and sent six Democrats to the House.

MASSACHUSETTS Perhaps the hottest battlefield of the campaign, Massachusetts followed Roosevelt into camp with its 17 electoral votes but gave Henry Cabot Lodge, Jr., Republican, relative of the late Senator of the same name, the Senatorship.

MICHIGAN Another hotly battled State gave its 19 electoral votes to Roosevelt. Frank Murphy, Democrat, high commissioner of the Philippines on leave, late in the count took the lead away from Governor Frank D. Fitzgerald, Republican.

MINNESOTA Farmer-Labor controlled Minnesota gave its 11 votes to Roosevelt, and put Rep. Ernest Lundeen, who voted against American entry into the World War, into the lead for the Senatorship vacated by retirement of Elmer Benson.

MISSOURI Lloyd C. Stark, Democrat, led off for the governorship and seven Democrats were elected to the House. Roosevelt took the 15 electoral votes.

An inter-party shakeup failed to upset Democratic control. The state gave its 11 electoral votes to Roosevelt and re-elected Senator M. M. Logan, Democrat.

MAINE

Maine stayed Republican, giving Landon its five electoral votes. In its own election Sept. 14, Maine returned Wallace H. White, Jr., Republican, to the Senate.

NEBRASKA

Supported by a special plea of President Roosevelt, veteran Senator George W. Norris, Republican running as an independent, was leading for re-election, benefited by a Democratic wave that gave the state's 7 votes to Roosevelt. The five House seats were in doubt.

NEVADA

This mining state's three electoral votes went to Roosevelt and its one House seat was Democratic.

NEW YORK

Representative Lemke as a Union party candidate could not carry the State in his race for president and even his re-election to the House as a Republican was in doubt. Roosevelt took the four electoral votes.

ADMINISTRATION FACES PROBLEMS OF MANY KINDS

Social Security, Labor Laws, Farm Problems Lead

WASHINGTON, Nov. 4.—(AP)—Social security, labor legislation and new aids for the nation's farmers stood out today among the problems facing the incoming Congress.

A host of other highly important tasks will demand attention from the legislators as a result of impending expiration of a number of New Deal emergency statutes. The most certain revival of several hardy legislative perennials will add to the burden.

As far as the Senate is concerned, notice already has been served it will have to deal again with the proposed St. Lawrence waterway treaty with Canada. Also, the president's powers to negotiate reciprocal trade agreements with foreign countries expire June 12 unless extended.

The neutrality act dealing with wars between foreign powers, will die May 1 unless revived.

A new bill to stabilize the giant soft coal industry has been promised by Senator Guffey (D-Pa.), co-author of the invalidated coal control act, but if it includes tax provisions similar to its predecessor, the measure will have to originate in the House.

Outstanding among expiring New Deal laws are those clothing the President with power to vary the gold content of the dollar and maintain a \$2,000,000,000 stabilization fund.

Almost every month thereafter until September some important piece of legislation is scheduled to terminate.

Lead Increases Over The State

(Continued from page one)

of my own state." Gilliam Grissom, the Republican nominee, said shortly after 10 p. m., when Hoy had piled up a substantial lead:

"I realize we are badly beaten." Asked if he would send Hoy a message, Grissom replied:

"I am not going to send anybody a message—not even Landon."

Scant returns were received from the voting on five proposed constitutional amendments, but the incomplete reports showed all the proposals favored in a ratio of two to one or better.

The amendments are (1) to increase the membership of the state supreme court from five to seven; (2) to exempt from taxation homes to the value of \$1,000; (3) to classify property; (4) to increase the limitation of income tax to 10 per cent and (5) to limit the increase of the public debt.

Returns from 175 of the 239 precincts in the tenth congressional district indicate Congressman A. L. Bulwinkle's re-election by a large majority.

The vote was Bulwinkle, 60,578; Edney, 26,219.

Only One Of Four Babies Now Alive

MEMPHIS, Tenn., Nov. 4.—(AP)—Two pound Ella Pearl Bridges died early today and left her equally tiny sister, Lee Earl, as the sole survivor of quadruplets born Monday in a storm-swept Missouri cabin.

Throughout the night a nurse at Baptist Hospital administered oxygen to the infants as they lay in incubators. For a time it seemed science might be able to maintain the two feeble life sparks but Ella Pearl died at 5:45 a. m.

Hope still was held for Lee Earl, attendants said.

They had appeared none the worse for the 130 mile trip yesterday in an ambulance from near Senatobia, Mo., where they were born.

Mrs. Pearl Bridges, 35 year old wife of Sharecropper, James Bridges, gave birth to the quadruplets Monday night while a cold, driving rainstorm swept the cypress swamplands of Southeast Missouri.

At The Theatres

Hollywood's greatest juvenile actress, Shirley Temple, will be seen in "Dimples" last times today at the Webb. More effort, more supporting talent and greater production facilities went into the making of this likeable story in which Shirley plays the part of a street minstrel. Selected short subjects are also on the same program.

NEW HAMPSHIRE IN ROSEVELT FOLD

MANCHESTER, N. H., Nov. 4.—(AP)—President Roosevelt received the four electoral votes of New Hampshire today, on the basis of unofficial returns, giving Governor Landon only Maine and Vermont. A single ward was missing in Dover but it was believed to have fewer than 1,000 votes and barring statewide recount could not change the tide.
