CLASS MEETING POSTPONED
The meeting of the Ruth class of First Baptist Sunday school, announced for this evening, has been postponed indefinitely on account of illness.

NEW MEMBERS
Members of the Mary Lee Hudson of Central Methodist church elected new officers at their meeting yesterday afternoon on report of the nominating committee. The new main officers elected were: Alice Lineberger, chairman; Charles Wells, vice-chairman; Mrs. C. S. New, secretary.

The program included two articles: "My Task Is Not Greater Than Strength," by Mrs. J. S. Willard, and "My Gift Complete," by Tom Babington, both of which were well presented, profitable, and enjoyable. In addition there was a special number "We've A Story To Tell to the Nation," sung by Mrs. E. Beam and Mrs. Thad Ford. During the social half hour a Christmas feature was the exchange of gifts between members, after which the hostess, Mrs. D. T. Honeycutt, served a salad course with coffee and sweets. The Christmas colored and green, appeared on the refreshment plates and in decorations. The table in the dining room, which refreshments were served, was unusually pretty with its red and green Christmas tree and red candles announcing the approach of Christmas.

UNION SCHOOL HAS A MEETING
The December meeting of the union school parent teacher association, held last evening in the school auditorium, was featured by the singing of Christmas carols to the meeting. A simple devotion was led by Mrs. Clyde Short, followed by a Christmas message, "Seeking the Holy Grail" given by Mrs. Walter Ramsaur. "Joy of the World" was sung by a male quartet. Rush Hamrick, Robert Lee, Miss Minnie Eddins Roberts, teacher in the school, sang a solo the Christ child and Miss Bertie Lee, state school nurse, made a report on her examinations of the school children, and painted picture of the city's needs for a health program.

Following Miss Dunn's report resolutions were adopted by the organization to promote health program and a committee was appointed to push the matter. Mrs. Harry Anderson is chairman of the committee and others to serve on it are: Rush Hamrick, Dr. Robert Wilson, Mrs. R. H. Rogers. The third grade, taught by Miss Gidney, won the attendance award for this meeting.

A social hour followed the program.
MISS BEUNA BLANTON WEDS MR. HAMRICK
A wedding marked by dignity and simplicity took place Friday afternoon at 5:30 at the home of the bride's mother near Shelby when Miss Beuna Blanton of the Sharon community became the bride of Howard Hamrick, of the same community. The Rev. J. N. Wise, pastor of both bride and bridegroom, officiated, using the beautiful ring ceremony.

The vows were spoken in the living room before an altar of evergreens before which white candelabra holding cathedral tapers were arranged. The candles were lighted by Miss Beatrice Blanton, sister of the bride.
Wedding music was rendered by Mrs. J. C. Dodd, pianist, and Mrs. Glenn Blanton, sister-in-law of the bride, soloist, who sang "The Sweetest Story Ever Told" and "I Love You Truly." The bridal chorus from "Lohengrin" was played as the bride and bridegroom entered the room together and "To A Wild Rose" was played as a ceremony accompaniment.

The bride wore a frock of blue chiffon velvet with silver accessories and a should spray of sweetheart roses.
Mrs. Hamrick is a daughter of Mrs. Ollie Blanton and the late Zeb Blanton and the bridegroom is a son of Mr. and Mrs. T. G. Hamrick. He attended Bolling Springs high school and now holds a position with the Eton Mill company. After a short honeymoon he and his bride will be at home at 923 South Lafayette street.

CIRCLE MEMBERS HONOR MISS ISABEL HOYE
At the meeting of the Lucy Hoye circle of Central Methodist church yesterday afternoon a surprise party was given during the social hour for Miss Isabel Hoye, who leaves for her parents, Mr. and Mrs. C. R. Hoye, when they move to Raleigh in January. After the program had been given a number of games and contests were enjoyed under the direction of Mrs. George Hoye, Mrs. Horace Grigg and Mrs. Carl Webb, who had planned this feature of the meeting. Mrs. Hoye presented an attractive gift to Miss Hoye with a pleasing speech of farewell, expressing the regrets of the circle in giving up Miss Hoye as a member.

For the program hour Mrs. Grigg had planned a beautiful group of Christmas songs, stories and poems, the opening number of which was the singing of "Joy to the World" by the entire group. Mrs. D. Z. Newton, pianist, played "Silent Night, Holy Night"; Mrs. Carl Webb read the Christmas story from Luke's gospel; Mrs. Newton told a story, "The Christmas Candle"; Miss Nettie Rayle sang "There's a Song in the Air"; Mrs. Grigg read a poem, "The Christmas Rose," and the group sang together, "O Little Town of Bethlehem," as the closing number.

During the business session the following officers were elected for the coming year: Mrs. Carl Webb, chairman; Mrs. C. M. Moser, vice chairman; Mrs. Horace Grigg, secretary; Mrs. Durant Crowder, treasurer.

POULTRY TOO CROWDED, SURVEY IN KANSAS SHOWS

MANHATAN, Kas.—(AP)—Poultry is too crowded in poultry houses on the average farm, a survey by Prof. L. F. Payne of the Kansas State College disclosed.
Payne said the survey showed the average floor space per bird is 2.3 square feet while the recommended space is four feet. Crowding poultry, he said, means lowering the efficiency of the flock and reducing profits.

69 Years Farming Enough For Cole

LAURENS, S. C., Dec. 8.—(AP)—Robert La Fayette Cole feels that 69 years of ploughing is enough for an 81 year old farmer, so he has sold his mule and plans to "take it easy from now on."

Hale and hearty despite his eleven years beyond the Biblical span, Cole can still turn a mean furrow and his retirement is voluntary rather than enforced by the marching years that first saw him behind the plow at 12.

And he is leaving young agriculturalists something to shoot at in feats agrarian. He has cultivated 69 crops and sold cotton all the way from five to 40 cents a pound. His motto has been "keep out of debt and live at home."

Regal Coiffure To Lead Styles Of Hair In '37

By ADELAIDE KERR
NEW YORK.—(AP)—Coronation coiffures—suave, smart and regal—have been launched here as the foremost news in hair fashions for the coming Christmas holidays.
A smooth shining crown unruffled by a single wave and soft curls rolled back from the face, are the distinguishing features of the new style. The top of the head is kept smooth and the front and sides set in ringlets which may be combed back into soft rolls or forward into plume-like curls. The old marcel wave has been banished.
The vogue for a smooth shining crown has caused women to give more attention to the luster of their hair than they have in years.
For the woman whose beauty budget is limited, here is a treatment which costs less than a quarter for restoring the sheen to dull locks.
Part the hair, dip a small pad of absorbent cotton into warm olive oil and massage it well into the scalp. Continue to part the hair and massage in the oil which is kept well warmed until the entire scalp is oiled. Bind the hair in a towel and allow the oil to remain overnight.
Next morning shampoo the hair with a solution made of pure castile soap which has been shaved into boiling water and allowed to remain until it becomes a soft jelly. (Three latherings should entirely remove the oil). Rinse until the hair "squeaks" when pulled between the fingers.
The oil shampoo should be given every two weeks until the hair regains its luster and thereafter repeated every month or two.

Large Pulp Mill Will Be Erected

PLYMOUTH, Dec. 8.—(AP)—Plans were announced here today to begin construction at once on a \$1,000,000 paper pulp mill to be built by the Kelokhefer Container Corporation of Delair, N. J.

Zeb Vance Norman, Plymouth attorney, said he had been authorized to announce that a site near here had been definitely selected by the New Jersey Corporation and that construction would begin immediately.

Norman said the mill would start operations July 1, 1937, and employ from 20 to 25 workers at the start. The corporation he said had already obtained a site at the mouth of Welsh's Creek near here.
