Registration For Hospital Vote Picks Up

A decided pick-up in the number of those registering for the Cleveland county hospital bond election was noticed today, it was learned from the registrars who were at their posts for their next to the last registration Saturday.

This pick-up is believed to be the result of a concerted drive by

civic interests to enlist active interest of Cleveland citizens in the hospital project.

If the election which will be held If the election which will be held on July 7 carries, the facilities of the Shelby hospital will be expanded and a new hospital unit will be erected at Kings Mountain. The proposed bond issue is for \$400,-000, of which it is planned to spend up to \$240,000 in Shelby and \$160,000 in Kings Mountain. H.D. Workers Attend District Meeting

Four members of the Home Demonstration clubs in this county along with Miss LaUna Brashears, county home demonstration agent, and Miss Elsie Alley, assistant agent, attended the all-day district meeting of Home Demonstration club officers held at the county agriculture building in

Newton yesterday.

Attending from the Cleveland county clubs were: Mrs. John Elliott of the No. 3 club, county federation secretary; Mrs. Howard Wilson, Elizabeth club, vice-president of the county federation; Mrs. H. H. Gold, Polkville club, former district president; and Mrs. J. C. Turner, Beulah club, county federation treasurer.

All of the Cleveland representatives took part on the program or worked with a special committee at the meeting.

Riese. By telephone from Hamburg, Lt J. B. Adam of Paisley, Scotland, told how his detail of a Belgian and two British sergeants arrested Ribbentrop. He said:

"We called at a very unpretentious block of flats about 9 a.m. and knocked on the door of the top floor, but getting no answer we nearly had decided to break it down when a lady in a dressing sown appeared. She was darkhaired and very attractive, and we learned later she was 35 and divorced. We brushed her aside, saying we'd come in and search." The Belgian discovered Ribben-

The present enforced shutdown of German production is in an interim stage in the complete transformation of the nation, Gerow's headquarters said. Presumably Germany will produce again under controls designed to eliminate any war potential but pending Allied control council determination of how this can be done, Germany's economic activity will be kept tightly restricted.

During this transitory stage, control of German production is exercised essentially by several headquarters controlling the Allied occupational armies.
