Thirty Thousand Fights, Barreled up. ry sedate gentleman from the rural years afterwards in prison.

In at least one of our sister States of 1500th, J Harper & Son 500th, Bill Jenkins 1500th, Bill Je the house with an air of great carnest- sending them. ness and interest. Three thousand In Austria, in Prussia, in Saxony, promptly replied the interrogated .- and some other European States, at-Three thousand barrels, repeated the tendance upon the public schools is countryman, speaking ten fights to required by law. the barrel is a low estimate, and how If education is regarded so essential many fights is that? Thirty thous- in despotic or monarchical Governand, replied the mathematical clerk. ments, how much more important is it Thirty thousand fights barreled up in in a Government like ours, founded one liouse! What a was is in pro- upon the will of the People. Our Conpostive and he passed on.

We apprehend the Democratic mem- of the masses. bars of Congress are not sufficiently pugnance to extravagant appropriat persons or property. tions. They appear to forget that It required intelligent and educated shall try to consult the interest of our custo-*Adams Administration. They appear to maintain and perpetuate them. to forget that under their bwn rule, the expenses of government have quintupled since the period of their triumph over federal corruption. They appear to forget the pledges of retrench ment and reform which they assumed by the adoption of the Cincinnati platform. In deference to the historic antecedents and positive engagements of the Democratic party, we have been obliged to expose instances of corrupt and extravagant expenditures under a Democratic Administration, and to demand a prompt and thorough redress of the abuse. As yet the Democratic Representatives in Congress have exhibited no dispositiagainst Federal extravagance. A obligations, but we regret to own that the majority of the party scena strangely indifferent to the integrity of Democratic faith and the purity of the Democratic practic. It is not too late, however, for amendment; and if the Democratic members of Congress ey of the party, they will address themselves with zeal and energy to the retrenchment of the federal ex-

penditures. The Democracy have nothing to apprehend from slavery agitation .-The issue upon which they are destined to fall will be the extravagance and corruption of their administration. If they would perpetuate their power, they must be more considerate of the interests of economy. Let them paraphrase Dunning's famous resolution, and declare that the expenditures of purposes during the year, \$339,914. the federal government " have increased, are increasing, and ought to be diminished. — Washington States.

It will be borne in mind that the States is a Democratic newspaper. What says the Sentinet to this ?

A New Cuba Bill.
