AYER'S (SUGAR COATED,)

CLEANSE THE BLOOD AND CURE THE SICK. Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and judge of their Virtues. Headache, Sick Headache, Foul Stomach.

Dr. J. C. Aren. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing.

Yours with great respect, ED. W. PREBLE.

Clerk of Steamer Clarion. Bilions Disorders and Liver Complaints. DEPARTMENT OF THE INTERIOR, \
WASHINGTON, D. C., 7 Feb., 1856. \
Sin: I have used your Pills in my general and hospital

Sin: I have used your Fills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for decangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them.

Fraternally yours, ALONZO BALL, M. D.,

Physician of the Marine Hospital. Dysentery, Relax, and Worms.
Post Office, Hartland, Lav. Co., Mich., Nov. 16, 1855.
Ds. Aven: Your Pills are the perfection of medicine.

They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pilla, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my-wife cured him with two doses of your Pills, while others around us paid from five so twenty dollars doctors' bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here. GEO. J. GRIFFIN, Postmaster.

Indigestion and Impurity of the Blood. From Rev. J. V. Himes, Pastor of Advent Church, Boston. DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my Yours, Warsaw, Wroming Co., N. Y., Oct. 24, 1855.

Dear Sir: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.
- Forwarding Merchant of St. Louis, Feb. 4, 1856. DR. Area: Your Pills are the paragen of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother had been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her. ASA MORGRIDGE.

Rheumatism, Neuralgia, and Gout. From the Rev. Dr. Hawkes, of the Methodist Epis. Church. PULASKI HOUSE, SAVANNAH, GA., Jan. 6, 1856. Honored Siz: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating usuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

CIPIENT CONSUMPTION. and for the relief of consumptive patients in advanced We need not speak to the public of its virtues Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent with-out some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dan gerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the Cherry Petaral saves more lives by the consumptions it prevents than those it cures. Keep it by you, and cure your colds while they are curable, nor neg-lect them until no human skill can master the inexorable canker that, fastened on the vitals, cats your life away. All know the dreadful fatality of lung disorders, and as they know too the virtues of this remedy, we need not do more than to assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the lest agent which our skill can farnish for their cure.
