will be Sold LOW DOWN. I have had ample experience in business. and I know that the Cash Plan, for Buyer and seller, is the cheapest and best that can be adopted. The Merchant who does a credit French, English, and German business, calculates beforehand, for Bookkeeping, for laying out of the use of his money, for trouble and cost of collections, for bad debts aud so up go the figures on his Goods. Jew him ever so much, when you go to buy, he knows that the expenses and losses incident to the Churchill's 'Preparation of the Hypopho credit system

Must be met by a heavy Profit on his GOODS. or he Makes NO MONEY. and if he sells to you, he gets that Profit. Not so on the Cash Plan. The Merchant who sells for eash, makes no such calculations; for he has none of these expenses and losses to WOOD'S HAIR RESTORATIVES, by the meet. His aim is to sell Low, so as to invite eash buyers. For with the Cash in hand, he FRESH CONGRESS WATERS, by the can immediately replace his stock on the cery best terms, and be again ready for the market. Quick Sales and Short Profits,

IS HIS MOTTO. The article of SHOES, to every Farmer, is an important one. To know where he can find a large assortment, of all kinds and grades, and where he can buy them upon the cheapest and best terms, is all important.
