"On Sunday last, Rev. Mr. Bel. daughter of J. B. Thomas, Esq. linger announced to his congregation the melancholy fact, that the Rev. Bishop Davis of the Diocese of South Carolina, had almost entirely lost his sight. His only hope is by an operation for cataract.'

The imports of foreign dry goods and general merchandise for the week morning, 22d ult., Mr. John McRorie, aged ending on the 25th ult., amounted to \$5,683,802; since 1st January to \$74, 377,371; just double the amount for His funeral was attended at 11 oclock, on VALUABLE PLANTATION the same period last year."

Peace or War. We are permitted to make the following extract from a private letter, says the New York Commercial, written by an American gentleman now on the continent of Europe to his friend in this city, the writer being in a position we believe to observe correctly the

current of affairs:-"In spite of the Congress to be assembled, there will be no peace. Neither France nor Austria wants peace. The peace party of Europe is confined to the Derby Ministry in England, to the anti-Austrian Regency party in Berlin, and to the Stock Exchange. The Derby Ministry is now powerless. Russia will remain neutral until Austria is uttacked at home, and Russia aims at nothing but the on Monday of May Court, at 11 o'clock A. humiliation of Austria.

"War is necessary even in a financial point of view. It is the only means of avoiding national bankruptey, the only decent excuse for not paying the interest on the public debt in Austria, or making a new loan in France .-The war, however, may be confined to Ausor of France provoke a coalition."
