bill and pay included; a saving of at least 40 Austrians have advanced from Vircelli towards Burengo and Salazon. The greatique We learn that Mas. P. B. Chambers of The Agricultural bill which was passed by to fortify themselves on both banks of the ans threw out recommittering parties which Eng. W. N. C. Railroad, and C. F. Fisher,

A series of failures had been announced at Vienna, and it was feared the number would be augmented for some time to come. of the discussion which took place between against this bill also, always voting against Canada during the late war, is under orders

The Royal Canadian regiment, formed in for Corfu. Great Loss of Human Life at Sea.

The packet ship Pomona, which sailed from Liverpool for New York on the 28th of April last, with a crew of 40 men and 397 passengers, was wreeked in a gale upon the Blackwater Banks on the following day, and nearly all on board perished in the waves. The ship was so near the shore, that the shrieks of the drowning were heard by those who could render no relief. Many of them were women and children.

Early Cabbage.

We thank Mr. Jules R. Simonton, of this county, for a head of Early York Cabbage, large enough for a family dinner, and for a
