RAIL-ROAD TO WASHINGTON.

The Baltimore American of Thursday states, on the authority of a gentleman from Annapolis, that a bill a uthorising the Baltimore and Ohio Rail Road Company to make a rail road from Baltimore to Washington passed the House of Delegates on the preceding day, by a vote of 15 to 15. The bill provides, among other matters, for a subscription of \$500,000 on the part of the

Source of Intelligence. An intelligent man says: I have travelled much; uniformly observed, that where a farmer's house is stored with books and newspapers, his children aresure to be intelligent. We wish every farmer knew this; and knew at the same time, how much depended upon the intelligence of his children!

G. PATRIOT.

Another Warning .- Nancy Hines, an unfortunate woman of this place, who, scarcified oftener to Bacchus than to the graces, fell a victim to the Bottle on Monday last, while in a state of intoxication, she incautiously approached the fire, which communicated with her clothes, and before assistance arrived the was so badly burned that she expired in a few hours after .-Newbern Spectator.

Power of Beauty -Laws were never made for pretty women. A youthful female adorned with grace and loveliness like the Sovereigns of Enrope can do no wrong. The New York Courier and Enquirer states that a fashionable dressed fem de, only twenty years of age was lately examined by the sitting magistrate on the charge of ste ling a worked cap from the door of a dry good store, The theft was fully proved. But her beauty and a flood of tears procured

Interesting from Mexico. - We have it now in our power to state, on the authority of private letters from the most respectable sources, written at Vera Cruz on the 26th of January, that the only remaining opponents to the new order of things have now quietly submitted. Generals Bravo & Alvarez, with their troops in the South, have recognized the government of Pedraza, and the South is all quiet:

Santa Anna was to retire immediately to his estate near Verra Cruz. Every thing promised tranquillity to the Republic. The convoy was expected to leave Mexico early in the month.

Effects of Temperance .- A letter from Copenhagen states, that since the foundation of temperance societies in Sweden, the importation, of coffee into Stockholm has been increased between the months of January and August last, by a mil lion and a half of pounds.
