## PROSPECTUS.

For publishing a large paper in Greens-buro' N. C. to be called

The Southern Telescope.

THE Publishers being desirous of seeing a paper established within the limits of N Caorlina, which will vie in respectability and size, with any other in the country, propose, so soon as proper arrangements can be made, and their patronage is somewhat increased, to enlarge their paper to the size of the large city papers now issued,-printed on an extra imperial
