\$50 REWARD.

RANAWAY from the subscriber two negro slaves, viz TONEY and JOHN. Toney is about 35 years of age, five feet nine or ten inches high, dark complexion, square and stout built; and had on when he left, a bright drab pantaloons overcoat. He was purchased by me of Mr. Richard Bradley of Wilmington, and calls himself Toney Montague. John is about twenty years of age, of rather lighter complexion than Toney, about five feet 10 inches high, and has light stout built - has a full round face, and has lost two front teeth above and below, which is his most distinguishing mark. He had on when he left, a light grey woolen round jacket and pantaloons. RHODERICK DHU.

This fine blooded horse, Rhoderick Dhu, will stand the Spring Season of 1837 at my stable, in the town of Huntsville, Surry county, N. C. at the reduced price of Ten Dollars the Season, and Twenty Dollars the Insurance, (with the additional sum of Twenty-five cents, in every case to the groom,) which is lower than any high blooded horse ever stood at in the United States.

He is a beautiful bay, five years old this Spring, five tons one inch high. He was g. by Monsieur Tenson the best race horse in his day, and now the property of Wm. R. Johnson, the Napoleon of the Turf, at the price of 10,000 each.

His dam is Lady Burton, she by Old Archie, out of the mare sent to Mr. Jefferson, by the Day of Tunis, as a present. (See Sir Patrick N. Edgar's Stud Book, and the Turf Register for Monsieur Tenson and Lady Burton's pedigree more at large.)

Suffice it to say that, in breeding from such a stock, you go at once to the top of the ladder.

RHODERICK DHU

was raised by Alexander Henderson, Esq. of Rockingham county, North Carolina, and at the request of the Hon. Bailie Peyton, was sent to Tennessee to contest a colt race over the Nashville Turf, for Thirteen Thousand Dollars! He was entered and trained. Just before the trial, however, he was found to be lame, and of course withdrawn. This Hon. Mr. Peyton stated to a gentleman in this neighborhood, as he passed on to Washington City, last fall, that RHODERICK gave great evidence of speed and bottom while training.

Gentlemen sending mares from a distance can either have them kept in good pastures, gratis, or fed on grain at twenty-five cents per day. I will not, however, become responsible for any accidents, but pledge myself to use every exertion to have them well attended to.

THOMAS C. BAVIS, Huntsville, N. C., Jan. 1837 - 10w28

THE CELEBRATED RACE HORSE CAROLINIAN.

WILL stand the coming season at my stable, at Spring Grove, Brunswick county, Virginia, within 2 miles of Lawrenceville, 22 miles south west of Petersburg, 22 miles from Lynchburg, 46 north of Warrenton, N. C. - will be let to mares at \$35 the season, and will be payable as soon as the mare is bred, and the property is in any way changing hands, each case to the groom. Mares will be mated to the owners discretion, and will be mated to the owners discretion, and will be mated to the owners discretion.

CAROLINIAN has just claims upon the public as those of any other horse, being a pure blooded race horse, and the father of many of the best race horses in America. He can boast of the most stoutness, lastiness, and ability in the world, his dam, which traces directly to the most celebrated imported mare Kitty Fisher, by the Englishman, her dam by Cade, out of that famous "Bald Charlotte," the very best blood in England of her day; which race was carried at New Market, on the 1st day of August, 1836, carrying 8 stone, 288 lbs., beating the Grey Horse Swinger, carrying 12 stone, for 200 guineas, half forfeit, N. B. - the highest weight ever carried by any horse ever. For corroboration of this statement reference may be made to the 1st Vol. of the Turf Register, the English Racing Calendar, also the 1st Volume of the English Racing Calendar, the 53. Carolinian's pedigree can be seen in reference to 1st Volume of the American Register, Sportsman's Herald, and Stud Book. The most scientific and extensive work ever published on the great blood horses, page 140. For further information see hand bills.
