Mares left with the horse, will be pastured gratis, and fed with grain agreeably to the owners directions, and on moderate terms. The season will end on the 10th

CAROLINIAN has just claims upon the public as those of any other horse, being a good racer himself, and the getter of racers, of great distinction besides his purity of blood, being descended directly from the very best racers in England & America. He can boast of the uncor stoutness, lastingness and ability to carry the heaviest weights, more particularly on the side of his dam, which traces directly down to the imported mare Kitty Fisher, by the Cullen Arabian, her dam by Cade, out of that famous mare Bald Charlotte," the very best mare in all England of her day, which ran a race of 4 miles at New Market; on the 1st day of May, 1727 carrying 8 stone, 288 lbs., beating Washley's Grey Horse Swinger, earrying 17 stone, 272 lbs. for 200 guiness, half forfest, N B—This is the highest weight ever carried by any horse what-ever. For correboration of this positive fact, a Barnabas Torrence. Survey named Allison. reference may be made to the 1st Vol. Furf Register, the English Racing Calendar. Also-the 1st Volume of the Abridged E. dition of the English Racing Callendar, at page 53. Carolinian's pedigree can be traced by a reference to 1st Volume of the American Turf Register, Sportsman's Herald, and General Stud Book. The most scientific and comprehensive work ever published on the genealogy of blood horses, page 140. For further particulars, see hand bills.
