R L Stevens' ch h Tom Moore, by Eclipse, out of Lalla Rookh, by Ogles Oscar-

Jos II Van Mater's gr c Manolopon, by Medley, son of Sir Hal, dam by John Rich ates 4 ventsold.

At the a pointed hour, both were ready, and when uncovered, shewed condition. They may dup evenly at the call, and got off at the first attempt. They ran together head and head around the turn at lively pice. Tom being on the inside. At the commencement of the back stretch Tom shewed a few feet in front, and kept the lead about a length round the north sweep As he neared the stand he widened the gap, and at the unit end was three lengths in advance. He new led off the second mile, keeping this in Igont to the centre of the north semicately. Here the Grey went up, & made a dish, a severe brush was kept up to the quarter stretch, when Tom having something in hand, let out, and after running with him about 200 yards, shook him off and came home about two lengths ahead, winning the heat easily in 3m. 59s. SECOND HEAT.

They went away as before at the signal, and ran neck and neck, to the middle of the back stretch, when Tom Moore drew out PIII.1 clear, and kept in front round to the stand, or termin tion of the first mile, where he was three lengths in advance, evidently in band. In rounding the second bend, in the commencement of the second mile, the grey appeared to flag. Tom now had it all his own way, kept in front, and with something in hand, came home three her business, in the most fashionable style, with or tour lengths clear, winning the heat in

RANAWAY from the subscriber two negro slaves, viz TONEY and JOHN. Toney is about 35 years of age, five feet nine or ter inches high, dark complexion, square and stout built; and had on when he left, a bright drab Peter sham overcoat. He was purchased by me of Mr. Richard Bradley of Wilmington, and calls himself Toney Montague. John is about twenty years of age, of rather lighter complexton than Toney, about five feet 10 inches high, and is quite stout built-has a full round face, and has lost two front teeth above and below; which is his most distinguishing mark. He had on when he left, a light grey woolen round Jacket and pantaloons.

The above slaves left the camp of the subscriber while on his way to the Western country, eight miles above Lincolnton, on 28th of last month, and will no doubt endeavor to make their way back to Wilmington. The above reward will be given for their apprehension, so that I get them again.
