BLANK DEEDS FOR SALE AT THIS OFFICE.

PETER'S VEGETABLE PILLS.

THESE Pills have long been known, and appreciated for their extraordinary and immediate powers of restoring perfect health, to persons suffering under nearly every kind of disease, to which the human frame is liable.

In many hundred of certificated instances they have even rescued sufferers from the very verge of an untimely grave, after all the deceptive nostrums of the day had utterly failed; and to many thousands they have permanently secured that uniform enjoyment of health, without which life itself is but a partial blessing.

The proprietor rejoices in the opportunity afforded by the universal diffusion of the daily press, for placing his VEGETABLE PILLS, within the knowledge and reach of every individual in the community.

It is a truth, that almost every person who has ever used Peters' Vegetable Pills, recommends them to their friends, & it is from this circumstance alone, that they have gained such an unrivalled reputation.

When taking according to the directions accompanying them, they are highly beneficial in the prevention and cure of bilious fevers, fever and ague, dyspepsia, liver complaints, sick head ache, jaundice, asthma, dropsy, rheumatism, enlargement of the spleen, piles, cramp and bilious cholera, female obstructions, heart burn, pleurisy, furred tongue, distention of the stomach & bowels, incipient diarrhoea, flatulency, habitual constipation, loss of appetite, bloated or swollen condition, and in all cases of torpor of the bowels, when a cathartic or aperient is needed.

Prepared by Jos. Priestly Peters, M. D., at his Institution, for the cure of obstinate diseases, by means of Vegetable remedies, No. 129, Liberty street, New York. Each box contains 40 Pills—price 50 cents.

More than two millions of boxes of these celebrated Pills, have been sold in the United States since January 1835.

Dr. Peters has received upwards of fifteen hundred certificates, all given in consequence of the good done by his Medicines.

MY BUSINESS has become so much extended, and the amount of arrearages has become so great that I must settle. It will be the greatest injustice to require me to travel all over the country for this purpose. It is to be hoped, therefore, that those who owe me will save me trouble and expense by remitting my dues through the Post Office, and that without delay. H. C. JONES. May 6, 1837.

PROSPECTUS OF THE WEEKLY PICAYUNE.

Published in New Orleans, every Monday Morning.

BY F. A. LUNSDEN & G. W. KENDALL.

IN consequence of the popularity which our daily paper has gained in all sections of the country, and the numerous demands we are receiving from all quarters for a weekly journal, we have determined on starting one of that description, to be entitled 'The Weekly Picayune.'

To adopt the same figurative style used in our first prospectus, we have fitted out the Picayune for more distant voyages, and freighted her with all sorts of notions in the shape of readables; and if the same success attends her which she has met with while coasting nearer home, we shall doubtless receive rich returns.

Notwithstanding the increased size, the public may rest assured that the Picayune will be enabled to work in shoal water with the same facility as heretofore, and form channels of communication which it would be folly for the dull, heavy vessels at present sailing from this port to navigate.

Commissioners merchants and others having freight in the shape of advertisement to ship for the country trade, would do well to send them on board our clipper, as she is up for every city in the United States, and all intermediate landings.

We reiterate to those fanatical pirates who cruise under the black flag—who oppose slavery because they are themselves the slaves of ignorance and superstition—who pretend to rub clean the upper decks of their neighbors with a holy stone—we say look out for breakers.

To Hotel keepers we recommend our paper; in every engagement her commander will be first to lead on the boarders.

To the Heads of Families the trim appearance of our craft will be an object of interest. Most married folks have experienced the effects of light sparring.

We shall endeavor to make those smugglers, the Bachelors, leave to show them the advantages of the proper 'companion way,' recommending a double state-room, with staterooms, &c.

We shall send our boat aboard Theatricals and other amusements; those pretty pleasure-boats which make our passage over the lake of life so delightful. Dancing we shall especially encourage; as we conceive that the safety of a vessel often depends upon keeping both pumps going.

On first launching the Picayune we promised to carry a press of sail in case we were warranted by a sail from the press. Through all the storms which have raged since she first sailed she has borne up under full sails, without ever being taken back and is now ranked A. 1. at all the insurance offices of the city.

Dropping our figure, and returning to plain language, we will now add that we intend to make the Picayune a vehicle of fun, wit, humor, sentiment, and a little of every thing that's going on. It shall be our delight to crack jokes, to tell stories in our own way, to ridicule folly, and to correct the manners of the age by exciting laughter against them.

A portion of our paper will be occupied with comprehensive notices of all passing events—giving the pith of the news of the day, without burdensome details.

We eschew partisan politics; yet we shall continue to express our opinions on all public measures. Follies in government, as well as in social life, are open to ridicule; and when humor seizes us, we shall not spare them, on whichever party the censure may fall.

All local occurrences of general interest shall be promptly noticed, so that our distant readers may see at a glance the miniature world which is congregated in this emporium.

With this expose of our intentions, and determined to endeavor with unremitting industry to fulfill them, we look with confidence for a continuance of that patronage which has hitherto been so cordially extended to us.

The Weekly Picayune will be published every Monday morning, at \$5.00 per annum, payable in all cases in advance: and will contain four additional columns, embracing all the news of the week, with whatever of interest transpires on Sunday.

Those persons at a distance who will procure four subscribers, and send us a \$20 bill, shall be entitled to one copy gratis.

He also gives notice for those having claims against the estate to present the same properly authenticated, or this notice will be pleaded against them.
