

POETRY.

THE SOLDIERS SONG. Tune-AULD LANG SYNE.

We are marching on to Madawask, To fight the tresspassers; We'll teach the British how to walk-And come off conquerors.

We'll have our land right good and clear, For all the English say; They shall not cut another log, Nor Stay another day.

They need not think to have our land-We Yankees can fight well; We've whipped them twice most manfally, As every child can tell.

And if the Tyrants say one word, A third time we will show How high the Yankee spirit runs, And what our guns can do.

They better much all stay at home And mind their business there; The way we treated them before, Made all the Nations stare.

· Come on, brave fellows, one and all The Red coats ne'er shall say, We Yankees feared to meet them armed, So gave our land away.

We'll feed them well with ball and shot-We'll cut those Red-coats down, Before we yield to them an inch Or tittle of our ground.

Ye Husbands, Fathers, Brothers, Sons, From every quarter come! March, to the bugle and the fife ! March to the beating drum!

Onward! my lads so brave and true, Our Country's rights demands! With Justice, and with glory fight, For those Aroostook lands. Bangor, Feb. 21, 1839.

McDuff.

That well known & thorough bred Horse,

ILL make his Spring season at Charlotte and Concord, spending one half his time at each place, and will render service at the very low price of \$18 the season and \$25 to insure a colt. The season to commence the first of March, and end on the first of July. The subscriber deeming a newspaper puff of no advantage to a horse that is so well known, and so fully able to recommend himself as McDUFF certainly is: will merely state that he is a beautiful chesnut, fell 15 hands 32 inches high, and was got by the famous running borse Wash ington, he by Timoleon, he by the justly renowned horse Old Sir Archy; McDuff's dam Perfection was got by Old Sir Archy; her dam by Ball's Old Florizel, her grand dam by Bell Air; her great grandam by Celar; her great, great grandam by the imported horse Why Not, which was a thorough bred mare, &c. &c., tracing to the finest stock of England. As to Mc-Duff's racing perfermances, see Turf Register, vol. 1, pages 562, 564, 565, Vol. 11, pages 146, 251, 254, 303. Vol 111 pages, 96, 198, 314, 368, from which it will appear that he was a long time on the turf and competed with some of the best horses in America always with credit, although notoriously in unskilled hands. View him and you will be delighted with his beauty and symetry of form .-- Try him and you will be pleased with his colts.

BLANK DEEDS FOR SAME AT THIS OFFICE

IMPORTED FLATTERER.

(Winner of the Grand Duke Michael Stakes at New Market, (England,) first October Meeting of

1834.)

TAVING undertaken the management of this splendid English Race horse, he will make the ensuing Season under my direction, at my stable in the Town of Fayetteville, and will be let to mares at \$50 the Season, \$75 to insure. and 50 cents to the Groom. The Season will commence on the 1st March and end on the 1st July. Extensive and excellent pasturage provided for mares, and separate lots for such as may have young foals, and mares well fed with grain for thirty cents per day. Every care will be taken to guard against accidents, but no responsibility will be assumed for any that may occur, nor for escapes. The Senson money will be due and payable when the mares are taken a-

PEDIGREE.

FLATTERER was got by Muley, (son of Orville and the famous mare Eleanour,)his dam, Clare, (bred by Lord Egretnent in 1824) was got by Marmion, grand dam Harpalies by Gohanna, great grand dam Amazon by Driver-Fractious by Mercury-Woodpecker mare-Everlasting by Eclipse-Hyena by Snap-Miss Belsea by Regulus-Honeywood's Arabian-Byerly Turk mare, dam of the two True Blues.

Muley, the sire of Flatterer, was the bost bred son of Orville, who was a winner of the St. Leger, and a most capital stallion, baving covered at as high as 521. Orville's is not only the most fashionable, but is also considered the best stock in England. Orville is the sire of Emilius, covering at 50 sovs., and, through him, grand sire of imp. Priam, covering in this country at \$150-of Plenipo, covering at 25 sovs., (all three winners of the Derby,)-Oxygen, winner of the Oaks-imp. Sarpedon-imp. Merman-imported Tranby, Scc. Muley is also sire of Vespa, winner of the Oaks-of muley moloci imp. Leviathan-imp. margrave, &c. Muley is out of Eleanour, the best bred mare of her that Samuel Hartsell is not an inhabitant of day, who won both the Derby and the Oaks, and grand dam of imp Luzborough, and is full sister to Julia, dam of Phantom-Cressids, dam of ernment of N. imp Priam-and half sister to the Walton filly, Courts, a list of dam of Langar, all distinguished runners.

Clare, dam of Flatterer, was out of Harpalice by Gohanna, the best four mile horse of his Interna! Impl day, and, as a Stallion, equal to any of any age. Harpalice, g d of Flatterer, was bred by the Earl of Egremont, who has bred a greater nom of the United ber of game horses, than any other turf-man in sundry hints to be England during the last forty years] and was North Carolina got by Gohanna, her dam by Herod; she was the progressive sett dam of Precipitate, out of maiden by matchem, from Mr Pratt's old Squirt mare. Mercury, sire | paper, and its) of Gohanna, was got by the invincible Eclipse, out of Mr O'Kelly's old Tartar mare, g d Amazon, by Driver. This mare, herself the dam of cents for a sir racers, was full sister to Hannibal; winner of the | Book Store, wh Derby, and Carthage, a distinguished racer and attention. brood mare. Young Amazon full sister to Harpalice, was the dam of Belwire, Tinwire, Goldwire Trinket & Sharper, all distinguished on the Torf This last, Sharper, so famous for bottom. was selected to run a 49 mile race in Kussia, against the Cossack horses-he was sent there, run, and won easily, under great disadvantage of weight. Gg d Fractious, by mercury, is the g g d of Lapdog and Spaniel, both winners of the Derby-perhaps the only instance where two colts from the same mare have won that great race. The whole pedigree of Harpalice presents a long list of splendid racers and successful broad mares. From this same maternal line was descended the famous English Stallion Tramp, whose dam was got by Gohanna, and almost full sister to Harpalice. Hart's old medley traces to the same source; Chateau margaux and Cetos, both imported, and among the best two, are from Gohanna mares with much of the same blood as the g d of Flatterer. Indeed Chateau He has also margaux, with the exception of one cross, has precisely the same pedigree. Mr Pratt's old Squirt mare; Sir C Bunbury's Young Giantess, and Mr O'Kelly's old Tartar mare, to whom Flatterer is closely allied by blood, with the Duke of Grafton's Pronella, are regarded by the best Sportsmen and breeders as the best mares

in England, FLATTERER, like his sire muley, who was said to be the largest boned thorough bred in the Kingdom, and to be equal to 20 stone, (280 lbs!) is a horse of the largest size, full sixteen hands high, of immense power, large bone, great substance, good action, long stride, sound consti tution, and excellent temper. His colour is a fine brown, without white. It will be seen that his pedigree runs back to the famous old English Eclipse, in an extremely short, and as rich a line as could be desired.

The extraordinary performances of the 3 year old filly Vashti, by Flatterer's half-brother Leviathan, of Tennes- | AL ESTATE b see, at the Raleigh and other Courses in this Sutton, dec'd. or State last Fall, and of many others of that horse's get at the South and South West, recommend his Stock to the favorable attention of TRUNK, BR breeders. Flatterer has proved a very sure horse. SAMUEL MIMS.
