SALISBURY FEMALE ACADEMY.

Raleigh, August, 1839.

THE Trustees of the Salisbury Female Academy, inform the public, that this Institution will be opened on Monday the 14th of October next. It is their intention to place this Seminary op a permanent and respectable basis; and no care will be wanting on their part, to render it in every respect, worthy of the confidence of the friends of education, morality and religion, who seek for their daughters a place where intellectual and moral culture combined, will prepare them to occupy with neefulness and dignity, the sphere to which they may be called.

They are now making all suitable efforts to secure for Teachers, a gentleman and lady of high qualifications.

Meanwhile they have engaged Miss Emma J. Baker, a young lady in whose literary qualifications and capacity for such a situation, they have perfect confidence; and who has hitherto taught music in this and other seminaries, with entire satisfaction. As soon as the other teachers are obtained, Miss Baker will again devote herself exclusively to the musical department.

TERMS OF TUITION. For beginners, per session of 5 months, For the Rudiments, with Grammar, Ge-10 00 ography and History,

The above with the higher branches in Literary Department. Music on the Piano and Guitar, Painting. Ornamental Needle-Work, and the making of Wax Flowers, will also be taught, if desired,

at \$5 each. By order of the Trustees. THOMAS L. COWAN, Ch'n. Salisbury, Sept. 27, 1839-169

TO OWNERS OF MILLS.

THE Subscriber has an improved Patent SPINDLE for Mills, by which, a mill will do much better than with the usual form of Spin dles. It is so constructed as to keep from heating or killing the meal in any manner. The runner is so confined by the Spindle as always to preserve its balance, and of course there is no rub bing of the stones.

I think, by this improved Spindle, the same water will do at least one third more business,

and the meal of superior quality. Any person wishing to use one of these Spindles, may obtain one or more, by making applica tion, (within a short time) to the Subscriber at Mocksville, Davie Co. N. C. I think the probable cast will not exceed \$30 for the Patent and

Spindle ready for use. The following persons have my patent Mill Spinule in successful operation :- Gol. W. F. Kelly, Thos. Foster, Joseph Hall and Samuel Foster, of Davie County; Gilbreth Dickson and David J. Ramsour of Lincoln; Charles Griffith of Rowan; Addison Moore of Davidson, and William Doss of Surry, all of whom are highly pleased with its performance.
