BEWARE LEST YE STUMBLE. DOCT. WILLIAM EVANS, 100 Chatmm street avails himself of the present occasion to lender his most unfeigned acknowledgements to the numerous members of society who (suffering under 'all the pains and aches that flesh is hear to,") have entrusted themselves to his care. He has the satisfaction of knowing from many living evidences, that his remedies have done their duty as far as lies within the compass of human means. How distressing it the afflicted is Dyspepsia or indigestion, poisining all the sources of their enjoyment, and lead ing in many instances to the miseries of confirmed Hypochondriasis! Long as it has been the subject of inquiry by medical authors, it remains in much obscurity-Apoplexy, diseases of the Liver, Kidneys, Spleen, Stomach, and Intestines, Bladder and its appendages, Diarrhoea, Dysentary, 'Com Multos Allis,' perform parts in the drama of Morbid Affections. Dr Evans has been singularly successful in the treatment of the above diseases, by remedies drawn from his own and the researches of the most eminent medical men in the world. He has also had vast experience and success throughout the whole family of delicate diseases, the impure tendencies of which are aggravated by and rooted in the constitution through the base conspiracies of Mercurial murderers, unprincipled, uneducated and unpracticed, in any art save that of attempting to lead the credulous victim on the 'road to rois.' Dr Evans' office, 100 Chatham street, is supplied with the choicest remedies from home and foreign markets, and compounded by a master's hand on scientific principles. A physician is always in attendence, and a private office. All those who come there in the hour of NEED, WILL GO OFF REJOICING.

Mrs. Browne was attended by three of the first physicians, but received but little relief from their medicine, till Mr Browne procured some of D: Wm Evans' invaluable preparations, which effectually relieved her of the abeve distressing symptoms, with others, which it is not essential to intimate.

JOSEPH BROWNE. City and County of New York, ss.

Joseph Browne, Williamsburgh, Long Island, being duly sworn, did depose and say that the facts as set forth in the within statement, to JOSEPH BROWNE.

In PAnother recent test of the unrivalled virtue of Dr Wm Evans' Medicines - DYSPEP. SIA. TEN YEARS' STANDING.-MI J McKenzie, 176 Stanton street was afflicted with the above complaint for ten years, which incapacitated him at intervals, for the period of six years, in attending to his business, restored to perfect health under the salutary treatment of Dr Wm Evans.

The Symptoms were .- A sense of distension and oppression after eating, distressing pain in the pit of the stomach, nausea, impaired appetite, giddiness, palpitation of the heart, great debility and emaciation, depression of spirits, disturbed rest, sometimes a bilious vomiting, and pain in the right side, an extreme degree of languor and latotoess; any endeavour to pursue his business causing immediate exhaustion and weari-

Mr McKenzie is daily attending to his business, and none of the above symptoms have recorred since he used the medicine. He is now a strong and healthy man. He has resorted to myriads of remedies, but they were all ineffectual. He is willing to give any information to the afflicted respecting the inestimable benefit rendered to him by the use of Dr Wm Evans'

A Real Blessing to Mothers. Dr. Wm. Evans' Celebrated soothing Syrup, for Children Cutting their Teeth

dreds of Children, when thought past re-covery, from convulsions. As soon as the Syrup is rubbed on the gums, the child will recov-er. This preparation is so innocent, so effica-cious, and so pleasant, that no child will refuse to let its gums be rubbed with it. When infants are at the age of four months, though there is no appearance of teeth, one bottle of the Syrup should be used on the gums, to open the pores Parents should never be without the Syrup in he nursery where there are young children; for if a child wakes in the night with pain in the gues, the Syrup immediately gives ease by opening the pores and healing the gums; thereby preventing Convulsions, Fevers, &c. 25- Proof positive of the Efficacy of Dr.

Evans' soothing Syrup.

To the Agent of Dr Evans' Soothing Syrup: Dear Sir-The great benefit afforded to my suf fering infant by your southing Syrup, in a case of protracted and painful dentition, must convince every feeling parent how essential an early application of such an invaluable medicine is to relieve infant misery and torture My in fant, while teething, experienced such acute sufferings, that it was attacked with convulsions, and my wife and family supposed that death would soon release the babe from anguish, till we procured a bottle of your syrup; which as soon as applied to the gums, a wonderful change was produced, and after a few applications, the child displayed obvious relief, and by continuing in its use, I am glad to inform you, the child has completely recovered and no recurrence of that aw ful complaint has since occurred; the teeth are emanating easily and the child enjoys perfect health. I give you my cheerful permission to make this acknowledgment public, and will gladly give any information on this circumstance WM JOHNSON.

TO OWNERS OF MILLS.

THE Subscriber has an improved Patent SPINDLE for Mills, by which, a mill will do much better than with the usual form of Spinthe Fall. The proprietor can very readily dis- | dles. It is so constructed as to keep from heating pose of them at the North, but from patriotic or killing the meal in any manner. The runner is so confined by the Spindle as always to preserve its balance, and of course there is no rubbing of the stones.

I think, by this improved Spindle, the same water will do at least one-third more business, and the meal of superior quality.

Any person wishing to use one of these Spindles, may obtain one or more, by making applica tion, (within a short time) to the Subscriber at Mocksville, Davie Co. N. C. I think the probable cost will not exceed \$30 for the Patent and Spindle ready for use.

The following persons have my patent Mill Spindle in successful operation :- Gol. W. F. Kelly, Thos. Foster, Joseph Hall and Samuel Foster, of Davie County; Gilbreth Dickson and David J. Ramsour of Lincoln; Charles Griffith of Rowan; Addison Moore of Davidson, and William Doss of Surry, all of whom are highly pleased with its performance.
