BEWARE LEST YE STUMBLE. DOCT. WILLIAM EVANS, 100 Chatham street avails himself of the present occasion to tender his most unfeigned acknowledgements to the numerous members of society who (suffering under 'all the pains and aches that fesh is herr to,") have entrusted themselves to his care. He has the satisfaction of knowing from many living evidences, that his remedies have done their duty as far as lies within the compass of human means. Flow distressing to the afflicted is Dyspepsia or indigestion, poisoning all the sources of their enjoyment, and leading in many instances to the miseries of con-firmed Hypochondriasis! Long as it has been the subject of inquiry by medical authors, it remains in much obscurity—Apoplexy, diseases of the Liver, Kidneys, Spleen, Stomach, and In-testines, Bladder and its appendages, Diarrhoea, Dysentary, 'Com Multus Allis,' perform paris in the drama of Morbid Affections. Dr Evans has been singularly successful in the treatment of the above diseases, by remedies drawn from his own and the researches of the most eminent medical men in the world. He has also had vast experience and success throughout the whole family of delicate diseases, the impure tendencies of which are aggravated by and rooted in the constitution through the base conspiracies of Mercurial murderers, unprincipled, uneducated and unpracticed, in any art save that of attempting to lead the credolous victim on the 'road to ruin. Dr Evans' office, 100 Chatham street, is supplied with the choicest remedies from home and foreign markets, and compounded by a master's hand on scientific principles. A physician is always in attendence, and a private office. All those who come there in the hour of NEED, WILL GO OFF REJOICING.

SCPLIVER COMPLAINT, OF TEN YEARS STANDING .- Mrs. HANNAH BROWNE, wife of Joseph Browne, North Sixth st. near Second st. Williamsburgh, afflicted for the last ten years with Liver Complaint, restored to health through the treatment of Dr. WM EVANS. Symptoms: - Habitual constipation of the bowels, total loss of appetite, excruciating pain of the epigastric region, great depression of spirits, langour and other symptoms of extreme debility, disturbed sleep, inordinate flow of the menses, pain in the right side, could not lie on her left side, without an aggravation of the pain, urine high coloured, with other symptoms indicating great derangement in the functions of the liver.

Mrs. Browne was attended by three of the first physicians, but received but little relief from their medicine, till Mr Browne procured some of Dr Wm Evans' invaluable preparations, which effectually relieved her of the above distressing symptoms, with others, which it is not essential to intimate.

JOSEPH BROWNE. City and County of New York, ss.

Another recent test of the unrivalled virtue of Dr Wm Evans' Medicines - DYSPEP-SIA, TEN YEARS' STANDING .- MI J McKenzie, 176 Stanton street was afflicted with the above complaint for ten years, which incapacitated him at intervals, for the period of six years, in attending to his business, restored to Dr Wm Evans.

The Symptoms were .- A sense of distension rest, sometimes a bilious vomiting, and pain in the bud the right side, an extreme degree of languar and farntness; any endeavour to pursue his business causing immediate exhaustion and weari-

Mr Mc Kenzie is daily attending to his business, and none of the above symptoms have recurred since he used the medicine. He is now a strong and healthy man. He has resurted to myriads of remedies, but they were all ineffectual. He is willing to give any information to the afflicted respecting the inestimable benefit rendered to him by the use of Dr Wm Evans'

Dr. Wm. Evans' celebrated Soothing Syrup,

for children cutting their teeth.

THIS infailible remedy has preserved hundreds of Children, when thought past recovery, from convulsions. As soon as the Sy rup is rubbed on the gums, the child will recover. This preparation is so innocent, so efficacious, and so pleasant, that no child will refuse to let its guins be rubbed with it. When infants are at the age of four months, though there is no appearance of teeth, one bottle of the Syrup should be used on the gums, to open the pores Parents should never be without the Syrup in the nursery where there are young children; for if a child wakes in the night with pain in the gums, the Syrup immediately gives ease by opening the pores and healing the gums; thereby preventing Convulsions, Fevers, &c. Proof positive of the Efficacy of Dr. Evans' soothing Syrup.

To the Agent of Dr Evans' Soothing Syrup: Dear Sir - The great benefit afforded to my suffering infant by your southing Syrup, in a case of protracted and painful dentition, must convince every feeling parent how essential an early application of such an invaluable medicine is fant, while teething, experienced such acute sufferings, that it was attacked with convulsions. and my wife and family supposed that death would soon release the babe from anguish, till we procured a bottle of your syrup; which as soon as applied to the gams, a wonderful change was produced, and after a few applications, the child displayed obvious relief, and by continuing in its use, I am glad to inform you, the child has com pletely recovered and no recurrence of that aw ful complaint has since occurred; the teeth are; emanating easily and the child enjoys perfec health. I give you my cheerful permission to make this acknowledgment public, and will gladly give any information on this circumstance WM JOHNSON.

about 27 or 28 years of age, and of a very bright complexion. He is a Shoemaker by trade, has a very bushy head of hair, a thin visage, is spare built and weighs from 135 to 140 pounds. He has a very large scar on one of his legs near the ankle, believed to be on the right leg also a scar on each arm just below the elbow occasioned by a burn. His heels have been frosted, which injury has left sears upon them. Coleman has a wife (a free woman) near Blakely, N. Carolina, and it is probable that he may be in that direction, although many persons believe that he was decoyed off by a white man, named Joshua Young, who left the neighborhood about the same time for Indiana. I will give a reward of Fifty Dollars to any one who will deliver Coleman to me near Brook Neal in Camp bell County Va. or who will confine him in jail, so that I get him in my possession

TO OWNERS OF MILLS.

THE Subscriber has an improved Patent SPINDLE for Mills, by which, a mill will do much better than with the usual form of Spin dles. It is so constructed as to keep from heating or killing the meal in any manner. The runner is so confined by the Spindle as always to preserve its balance, and of course there is no rub bing of the stones.

I think, by this improved Spindle, the same water will do at least one third more business, and the meal of superior quality.

Any person wishing to use one of these Spindles, may obtain one or more, by making applica tion, (within a short time) to the Subscriber at Mocksville, Davie Co. N. C. I think the probable cost will not exceed \$30 for the Patent and Spindle ready for use.

The following persons have my patent Mil Spinale in successful operation :- Gol. W. E Kelly, Thos. Foster, Joseph Hall and Samue Foster, of Davie County ; Gilbreth Dickson and David J. Ramsour of Lincoln; Charles Griffith William Doss of Surry, all of whom are highly pleased with its performance.
