GEORGIA ELECTION.

Full returns have not been received, although sufficient time has elapsed, but the few received are pretty favorable.-We think we may say with safety that five Whigs have been elected, and a fair prospect for another in the district now represented by Haralson, Loco, should the Whigs do as well as in other districts .-There can be no doubt of Taylor's carry- gle ing the State.

Florida, says the Charleston Courier, has been given up by the Locos. Another spoke out of the wheels of Locofocoism.
