Red Flag, Salisbury, April 8, 1852. HE subscriber would inform his friends and the public generally, that he is now receiving the larg-

est and most extensive assortment of STAPLE AND FANCY dry goods,

that he has ever before offered, which being selected with great care by himself, he feels assured that he will be enabled to offer greater inducements than ever. He takes this method of tendering his thanks for the very liberal patronage that has been bestowed upon him, and by the inducements he is determined to offer, he flatters himself to be able to merit a continuance of E. MYERS.

Office of North Carolina Rail Road. GREENSBORO', 1st April, 1852.

DROPOSALS will be received at this office until the 20th instant, for the delivery of sills for the North Catolina Rail Road from Charlotte to Salisbury. The sills to be nine feet long, to be hewn on two sides-which sides must be parallel-to be six inches thick and show six inches heart in the hewn sides, the other two sides to be barked.

The sills to be of good white or post oak and subject to the inspection of the Engineers after delivery on the road. The delivery to be the latter part of the present or beginning of the next year, and not to be paid for until inspected and received. The bidders will name in their bids, the price per

sill, the sections on the road on which they propose to deliver their sills, which sections will be pointed out to them by the Engineers on the Road. The section stakes being 100 feet apart, twenty sills will be placed at a convenient point near each section stake, and twenty sills at fifty feet from the stakes and so put up as not to damage by lying on the ground.

The sills to be got during the present Spring. J. M. MOREHEAD, President N. C. Rail Road. The Concord and Charlotte papers publish until

20th instant. Warrants for sale here,
