And we are glad to see the citizens of Yadkin county moving in this matter, -baving appointed the second day of June next, (Wednesday of Superior Court,) to meet in Convention with citizens of adjoining counties, to take this subject into serious consideration.

There is no doubt that the Yadkin river can be made navigable, and we hope to see it ac complished, at an early day, at least, from a point as far west as possible, to the intersection of the Railroad .- People's Press.

Fine Beef .- A very fine stall fed ox was led upon our public scales on Saturday last, and drew down nearly 1300. He was since slaughtered, and drew eight hundred and seven lbs. neat. He was the property of Dr. H. James. The lodgers at the Mansion Hotel, this week, have doubtless discussed his fair proportions with peculiar pleasure.

was subject, at times to much suffering. She enjoyed, however, the christian's hope with all its attendant comforts: and sustained by this hope, she was, at all times, enabled to say, "it is the Lord, let Him do what seemeth to him good." Long had she been a member of the Presbyterian Church, and well did she adorn the doctrine of God her Saviour. And when she realized that her departure was near at hand, the smile of heaven would play upon her calm and placid cheek; yea, she expressed a desire to depart and be with Christ. One around her bed side, could not help feeling that it was a blessed thing to be a christian. She literally "fell asleep in Jesus," and is now, we verily believe, enjoying that " rest which remaineth for the people of God."

### Jew David's Hebrew Plaster,

HE great remedy for Rheumatism, Gout, Pain in the Side, Hip, Back and Joints ; Scrofula, King's Evil, White Swellings, Hard Tumors, Stiff Joints, and all fixed pains whatever. Where this Plaster is applied

These Plasters possess the advantages of being put up in air-tight boxes; hence they retain their full virtues in all climates.

This celebrated Pain Extractor has been so extensively used by Physicians and the people in general, both in this country and Europe, that it is almost needless to say any thing about it. Yet there may be some who stand in need of its healing powers who have not yet tried it. For their sakes we will simply state what it has done in thousands of cases, and what it will do for them when tried.

JEW DAVID'S OR HEBREW PLASTER IN

NORTH CAROLINA. MESSES. SCOVIL & MEAD: I have been troubled with the chronic rheumatism for the last twelve years On the 1st of July, 1849, I was so bad that I could not turn myself in bed, and the pain so severe that I had not slept a wink for six days. At this time my attending physician prescribed the "Hebrew Plaster," and it acted like a charm; the pain left me, and I slept more than half the night, and in three days I was able to ride out. I consider the "Hebrew Plaster" the best remedy for all sorts of pains now in use. G. W. M'MINN. Hendersonville, N. C., Aug. 16, 1850.

## Masonic Celebration

HE Brethten of Mocksville Lodge No. 134, of Ancient Free Masons, will celebrate the Anniversary of St. John the Baptist, on Thursday, 24th June, at Mocksville. An Address will be delivered by Bro. Samuel S.

Bryant, of Danville. Brethren of neighboring Lodges, and all Masons, in good standing, are most cordially and fraternally invited to attend. C. HARBIN, Sec. Mocksville, May 4, 1852.

#### Grand Master's Office of the Grand Lodge of the State of N. Carolina. NEWBERN, April 19, 1852.

O the MASONIC FRATERNITY in North Carolina :-At the last communication of the Most Worshipful Grand Lodge it was Resolved, That each Mason in the State, both resident and active, be, and he is hereby most earnestly requested by the Grand Lodge of North Carolina to transmit, as soon as possible, to Brother A. T. Jerkins of Newbern, C. W. D. Hutchins, of Raleigh, William Swaim, of Greensborough, or E. Myers, of Salisbury, as may be most convenient, the sum of \$5, more or less, for the speedy erection of St. John's College, the receipt whereof will be weekly announced in the papers published in the aforementioned places.

Brethren, with confidence of success, I appeal to your liberality in behalf of this enterprise, the importance of which has been fully established by the Grand Lodge, and the general concurrence of the Brethren throughout the State, While enough has already been done to encourage the hope of success, and evince its entire practicability, much yet remains to be done to render this success certain, and even to prosecute unremittingly the measures already commenced. And yet it is confidently believed, that the aid which you are able to render will be amply sufficient to accomplish all this, and that speedily. Upon your action then as Masons, depends the success of an enterprise which promises the richest benefits to the cause of Masonry and of humanity in general. Some of our Lodges have contributed promptly and nobly to this work, and we only ask your careful consideration of the subject, convinced as we are that nothing more is needed to secure your cordial co-operation in a favorable and early response to this appeal. Remember that in this as in every other social movement, harmony is its strength and support. I am Respectfully and Fraternally yours, A. T. JERKINS, Grand Master.
