**Grand Master's Office of the Grand Lodge of the State of N. Carolina.**  
NEWBORN, April 19, 1852.

TO THE MASONIC FRATERNITY in North Carolina.—At the last communication of the Most Worshipful Grand Lodge it was Resolved, That each Mason in the State, both resident and active, be and he is hereby most earnestly requested by the Grand Lodge of North Carolina to transmit, as soon as possible, to Brother A. T. Jenkins of Newbern, C. W. D. Hutchins of Raleigh, William Swain, of Greenboro', or E. Myers, of Salisbury, as may be most convenient, the sum of \$5, more or less, for the speedy erection of St. John's College, the receipt whereof will be weekly announced in the papers published in the aforementioned places.

Brethren, with confidence of success, I appeal to your liberality in behalf of this enterprise, the importance of which has been fully established by the Grand Lodge, and the general concurrence of the Brethren throughout the State. While enough has already been done to encourage the hope of success, and evince its entire practicability, much yet remains to be done to render this success certain, and even to prosecute unremittently the measures already commenced. And he is confidently believed, that the aid which you are able to contribute will be simply sufficient to accomplish all this, and that speedily. Upon your action then, as Masons, depends the success of an enterprise which promises the richest benefits to the cause of Masonry and of humanity in general. Some of our Lodges have contributed promptly and nobly to this work, and we only ask your careful consideration of the subject, coupled with the assurance that we are that nothing more is needed to secure your co-operation in this favorable and early response to this appeal. Remember that in this as in every other social movement, harmony is its strength and support. I am Respectfully and Fraternally yours,  
A. T. JENKINS, Grand Master.
