

DR. ROGERS' LIVERWORT AND TAR.

A SAFE and certain cure for Consumption of the Lungs, Spitting of Blood, Coughs, Colds, Asthma, Pain in the side, Bronchitis, Hooping Cough, and all Pulmonary affections.

The Louisville Journal says: "Dr. Rogers' Liverwort and Tar not only gives immediate relief to the cough and colds, but, from the testimony of men of the highest standing here and elsewhere, it is making some very remarkable cures of consumption."

The Railway Register adds: "We have heard it stated, by persons of great respectability, who have used this medicine, that it is one of the most remarkable medicines of the age, for coughs, colds, influenza, bronchitis, asthma, pain in the side and breast, spitting of blood, whooping cough, and all lung complaints; and the certificates attached to the advertisement would seem fully to justify this statement."

Liverwort.—This plant has, for many years, been found to be of singular virtue in the cure of affections of the Liver. More recently it was ascertained that it possessed great power in arresting Bleeding at the Lungs, Coughs of a chronic character, &c., and of essential service in all diseases of a pulmonary character.

Tar.—This article is now universally acknowledged to be the most healing and efficient application for diseased or decaying lungs, or any portion of the fleshy or muscular parts of the human body. Its medicinal and preservative qualities were understood by the Egyptians in the early ages of the world, and no doubt now exists among scientific men, that the preparation used in the embalmment of bodies, was composed principally of this ingredient. In later ages, it was found to be in universal use among the aborigines of America, and at this day it is their principal, and, in fact, only medicine for an unsound state of the lungs, or any approach to it. Those who are acquainted with the history of this hardy race of men, know that a death from Consumption is unknown among them.

The medical faculty in all countries appear to have become aware of the great healing properties of this article, and are now introducing it in their practice. Dr. Bochan, of England, Dr. Cochon, of St. Petersburg, Dr. La Piere, of Paris, and the distinguished Dr. Cooper, have been in the habit of combining it with other articles in their prescriptions, and with entire success.

Beware of Counterfeits and Base Imitations!
The genuine article is signed Andrew Rogers, on the engraved wrapper around each bottle. Price, \$1 per bottle, or six bottles for \$5. Sold wholesale and retail by **SOCIL & MEAD, 113 Chartres st., bet. Conti and St. Louis sts., New Orleans.**
