MR. EDITOR : Permit me, through the columns of your valuable paper, to call the attention of the Fraternity of Odd Fellows to a book lately put forth by Moss and Brother, publishers, Philadelphia, and styled the "Odd Fellows' Text-Book."

I have been fortunate enough to obtain a copy of this work, and after a careful and thorough examination of its matter and style, I feel no hesitation in pronouncing it the best work extant upon the origin, progress, principles and duties of Odd Fellowship. It is, in fact, a work that the Order has long wanted and has greatly felt the need of.

The work is got up in fine style, contains a number of beautiful engravings, and is written in a masterly manner. The author of the book is P. Donaldson, D. D. Grand Master of the R, W. Grand Lodge of Northern New York.

I believe the book, if widely circulated, will accomplish a vast amount of good. and, therefore, hope that each brother of to square his life thereby.

A Queer Swindle .- A Donation Concert took place at Louisville recently, and about eight hundred people assembled, each expecting to draw a splendid prize. The prizes were distributed at the close of the performance in small boxes by a special committee, but when the boxes were opened, instead of watches, jew. elry, pencils, &c., nothing was found but candy, sugar plums, and soap. When the prizes were all out, there were remaining about sixty boxes. Lipman, the concert man, had disappear. ed. TOM is low and chunky, with a scar in his forehead from a cut. He is about 26 years of age, of a dark copper color.
