Evil, White Swellings, Hard Tumors, Stiff Joints, and all fixed pains whatever. Where this Plaster is applied Pain cannot exist. These Plasters possess the advantages of being put

up in air-tight boxes; hence they retain their full virtues in all climates.

This celebrated Pain Extractor has been so extensively used by Physicians and the people in general, both in this country and Europe, that it is almost needless to say any thing about it. Yet there may be some who stand in need of its healing powers who have not yet tried it. For their sakes we will simply state what it has done in thousands of cases, and what it will do for them when tried.

JEW DAVID'S OR HEBREW PLASTER IN

NORTH CAROLINA. MESSES, Scovil & MEAD: I have been troubled with the chronic rheumatism for the last twelve years On the 1st of July, 1849, I was so bad that I could not turn myself in bed, and the pain so severe that I had not slept a wink for six days. At this time my attending physician prescribed the "Hebrew Plaster," and it acted like a charm ; the pain left me, and I slept more than half the night, and in three days I was able to ride out. I consider the "Hebrew Plaster" the best remedy for all sorts of pains now in use G. W. M'MINN. Hendersonville, N. C., Aug. 16, 1850.

Grand Master's Office of the Grand Lodge of the State of N. Carolina.

NEWBERN, April 19, 1852. TIO the Masonic Fraternity in North Carolina :-At the last communication of the Most Worshipful Grand Lodge it was Resolved, That each Mason in the State, both resident and active, be, and he is hereby most earnestly requested by the Grand Lodge of North Carolina to transmit, as soon as possible, to Brother A. T. Jerkins of Newbern, C. W. D. Hutchins, of Raleigh, William Swaim, of Greensborough, or E. Myers, of Salisbury, as may be most convenient, the sum of \$5, more or less, for the speedy erection of St. John's College, the receipt whereof will be weekly appounced in the papers published in the aforementioned places.

Brethren, with confidence of success, I appeal to your liberality in behalf of this enterprise, the importance of which has been fully established by the Grand Lodge, and the general concurrence of the Brethren throughout the State. While enough has already been done to encourage the hope of success, and evince its entire practicability, much yet remains to be done to render this success certain, and even to prosecute unremittingly the measures already commenced. And get it is confidently believed; that the aid which you are able to render will be amply sufficient to accomplish all this, and that speedily. Upon your action then as Masons, depends the success of an enterprise which promises the richest benefits to the cause of Masonty and of homanity in general. Some of our Lodges have contributed promptly and nobly to this work, and we only ask your careful consideration of the subject, convinced as we are that nothing more is needed to secure your cordial co-operation in a favorable and early response to this appeal. Remember that in this as in every other social movement, harmony is its strength and support. I am Respectfully and Fraternally yours, A. T. JERKINS, Grand Master,

TO THE PUBLIC. HAVE established a school near Andrew's Mills, in Iredell county, for the education of females -The plan will be somewhat different from most other schools now in operation in this part of the country : In addition to the usual instruction given in schools, I propose to connect with this Institution various departments in the light branches of the arts, together with a complete system of housekeeping. The object is not only to school the pupils, but to fit them to enter at once, and successfully, upon the active duties of life, fully qualified to maintain themselves in an honorable way-It is proposed to receive into this school (a limited number at present) pauper children, or the children of such persons as are not able to pay the charges. The narents or guardians of those who have means, will be charged \$2 50 per session of five months. Board can be had on very favorable terms. If there are those who bute towards making it more efficient, they are request ed to correspond with me at Houstonville, Iredell coun-A. BAGGARLY ty. N. C. May 7, 1852.

THE AMERICAN ORATOR'S OWN BOOK-18mo sheep, 50 cts. A manual of Extemporaneous Eloquence including a course of discipline for the faculties of Discrimination Arrangement and Gral Diseassion, with practical exercises in Reading, Recitation and Declamatory Debate.

This Book is the production of an eminent member of the Legal Profession, distinguished for his chaste and elegant style of oratory, and was written for the use of those who were ambitious to cultivate the art of Extemporaneous Public Speaking, and by the same process of study acquire the no less important accomplishment of a fluent and elegant style of conversation.

In view of the high encomiums which have been bestowed upon this manual, the Publishers take pleasure in recommending this Book to the favorable notice of Blair's Rhetoric. University Edition with

Mills copious Questions and Analysis-Octavo sheep To speak or to write perspicuously and agreeably, with purity, with grace and strength, are attainments of the utmost consequence to all who purpose, either by speech or writing to address the public. For without masters of these attainments no man can do justice to his own conceptions I but how rich soever he may be in knowledge and good sense, will be able to avail himself less of these than such as possess half his store but who can display what they possess with more propriety.

Persons desirous of improving their style in composition, strengthening their conversational powers, or cultivating their taste for public speaking will find Blair's Rhetoric University Edition " THE BOOK." Locke's Essay on the Human Understanding,

Octavo sheep \$2 00. Whoever wishes to train himself to address the hunan judgment successfully, ought to make Locke, his osom friend and constant companion. He introduces his reader to a most intimate acquaintance with the construction and constitution of the mind; unfolds every property which belongs to it; shows how alone the udgment can be approached or acted on; through what avenues, and with what degree of proof a man may calculate with certainty on its different degrees of assent; besides this Locke is auxiliary to the same process for which I have been so earnestly recommending the Mathematics, that is giving to the mind a fixed and rooted habit of clear, cogent, close, and irresistible rea-WM.
