Politeness in Dunning .- An old gentleman had owed a firm for years; at last, after everybody's patience and temper were exhausted, a clerk hamed Frank undertook to get the money.

Frank called upon the gentleman, and met with a polite reception, and the usual answer, with the addition, " You need not prouble yourself young man, about the matter; I will make all right."

"O, no," replied Frank, "I could not think for a moment of compelling you to eall at the store for a few dollars. It will not be the slightest inconvenience for me. to stop in, as I pass your place of business six times a day, to and from my meals and I can call every time I go by.

"Here," said the old fellow to his book keeper, alarmed at the prospect of being donned six times a day for the next six months, " pay this impertinent rascal, -He can beat me in politeness, and if he wants a situation, I will give him two thousand dollars a year."-Hunt's Mer. chant's Magazine.

A STRANGER FROM AN OLD COUN-TRY.

For a day or two past a good deal of attention has been excited in the streets by the appearance of a fine looking personage in Eastern costume. He is a Syrian gentleman of wealth and intelligence, who is visiting this country to gratify his curiosity. to learn all that he can of a people who are, by means of their missionaries and merchants, doing a great deal for cem. the improvement of his own country. He speaks English fluently, and, in conversation with a number of our citizens, has detailed many interesting facts, showing the progress which Syria is making again in civilization and the arts.

He goes hence to St. Paul and to Lake Superior. From there we understand, he intends to turn his steps southward, and, after a visit to the Southern States, to go to California and the East. It is not of ten that the oldest of countries sends a representative to the newest of nations. and we cordially wish the interesting traveller a pleasant journey and safe return to his home. - Chicago Tribune.

Although we are unacquainted, I can-

A correspondent sends us from Albany the subjoined touching incident :

not well resist communicating the following circumstance to you. Mr. Swhose residence is next to mine, had a son six years of age last winter; and we a daughter of the same age. So fond were the children of each other's society that the commands of the parents were all that prevented them from being in each other's company both night and day. About a month since the boy was attacked with the scarlet fever, and soon after died. The next day I took our "Fanny" loss—to see the remains of her former fesso will be given and the said petition be heard explaymate; I think I never saw mental agony so strongly depicted in one so young; until, after gazing perhaps a minnote at the remains, she turned calmly to Mrs. S-, and with a tremulous voice,

asked her if she might pray for poor

Willie but without waiting for an an-

swer, she kneeled beside a chair, and

with clasped hands and face turned Hea-

venward, recited audibly the Lord's Prayer. There were about a dozen persons present, but not one with unmoistened eyes. Friend Clark, that child is loved : but with all the love her parents bear her, I cannot believe she is loved on earth as she is loved in Heaven.

May good angels watch over ber.

Jew David's Hebrew Plaster.

HE great remedy for Rheumatism, Gout, Pain in . the Side, Hip, Back, Limbs and Joints; Scrofula, King's Evil, White Swelling, Hard Tumors, Stiff Joints, and all fixed pains whatever.

Where this Plaster is applied, Pain cannot exist. It has been beneficial in cases of weakness, such as Pain and Weakness in the Stomach, Weak Limbs, Lameness, Affection of the Spine, Female Weakness, &c. No female, subject to pain or weakness in the back or sides, should be without it. Married ladies, in delicate situations, find great relief from constantly wear-

The application of the Plaster between the shoulders has been found a certain remedy for Colds, Coughs, Phthisic, and Affections of the Lungs in their primary stages. It destroys inflamation by prescriptions. The following commendation is from an agent re-

siding at Trenton, Tennessee : TRENTON, Gibson Co. Tenn., Nov. 7, '49. Messrs. Scovil & MEAD-Gentlemen: The Hebrew Plaster is becoming popular in this section. There is a lady in this county who says she would not be without this Plaster for five hundred dollars a year. She was afflicted for some time with an enlargement of the spleen, which gave her a great deal of pain. The sweling and pain had extended up nearly to the armpit, and occasionally she could scarcely breathe. She was confined for a considerable time, during which she was attended by some of our best physicians, but they gave her no relief. She procured a box of the Hebrew Plaster, and it relieved her almost immediately, and now she keeps a supply of it on hand constantly. These facts you are at liberty to use as you think proper-

they are substantially true. Respectfully yours, &c., JESSE J. WELLS. Beware of Counterfeits and Base Imitations CAUTION .- The subscribers are the only general agents in the Southern States for the sale of this truly valuable Plaster; and, in order to prevent purchasers being imposed on by a counterfeit article, sold in this city and elsewhere, for the genuine, they invite particular attention to the following marks of the genuine :

1. The genuine is put up in smooth, engine-turned bottom boxes, soldered in. 2. The genuine has the engraved head of Jew David on the direction around the box, with accompany-

ing record of court to E. Taylor, Rochester. ALSO TAKE NOTICE. That the genuine has the signature of E. TAYLOR on the steel plate engraved label, on the top of each box-

to imitate which, will be prosecuted as forgery. The Counterfeit is coarsely put up, in imitation of the old labels, and is sold by several dealers in medi cine in this city for the genuine article.

Grand Master's Office of the Grand Lodge of the State of N. Carolina. NEWBERN, April 19, 1852.

O the Masonic Fraternity in North Carolina :-At the last communication of the Most Worshipful Grand Lodge it was Resolved, That each Mason in the State, both resident and active, be, and he is hereby most earnestly requested by the Grand Lodge of North Carolina to transmit, as soon as possible, to Brother A. T. Jerkins of Newbern, C. W. D. Hutchins, of Raleigh, William Swaim, of Greensborough, or E. Myers, of Salisbury, as may be most convenient, the sum of \$5, more or less, for the speedy erection of St. John's College, the receipt whereof will be weekly announced in the papers published in the aforementioned places.

Brethren, with confidence of success, I appeal to your liberality in behalf of this enterprise, the imporance of which has been fully established by the Grand Lodge, and the general concurrence of the Brethren throughout the State. While enough has already been done to encourage the hope of success, and evince its entire practicability, much yet remains to be done to render this success certain, and even to prosecute unremittingly the measures already commenced. And yet it is confidently believed, that the aid which you are able to render will be amply sufficient to accomplish all this, and that speedily. Upon your action then as Masons, depends the success of an enterprise which promises the richest benefits to the cause of Masonry and of humanity in general. Some of our Lodges have contributed promptly and nobly to this work, and we only ask your careful consideration of the subject, convinced as we are that nothing more is needed to secure your cordial co-operation in a favorable and early response to this appeal. Remember that in this as in every other social movement, harmony is its strength and support. I am Respectfully and Fraternally yours,

A. T. JERKINS, Grand Master. Editors of Newspapers and Periodicals friendly to the cause will please copy the above.
