Jew David's Hebrew Plaster.

THE great remedy for Rheumatism, Gout, Pain in the Side, Hip, Back, Limbs and Joints; Sciatica, King's Evil, White Swelling, Hard Tumors, Stiff Joints, and all fixed pains whatever.
Where this Plaster is applied, Pain cannot exist. It has been beneficial in cases of weakness, such as Pain and Weakness in the Stomach, Weak Limbs, Lame Back, &c. No female, subject to pain or weakness in the back or sides, should be without it. Married ladies, in delicate situations, find great relief from constantly wearing this Plaster.
The application of the Plaster between the shoulders has been found a certain remedy for Colds, Coughs, Phthisis, and Affections of the Lungs in their primary stages. It destroys inflammation by prescriptions.
The following commendation is from an agent residing at Trenton, Tennessee:
TRENTON, Gibson Co. Tenn., Nov. 7, 49.
Messrs. SCOVILL & MEAD—Gentlemen: The Hebrew Plaster is becoming popular in this section. There is a lady in this county who says she would not be without this Plaster for five hundred dollars a year. She was afflicted for some time with an enlargement of the spleen, which gave her a great deal of pain. The swelling and pain had extended up nearly to the armpit, and occasionally she could scarcely breathe. She was confined for a considerable time, during which she was attended by some of our best physicians, but they gave her no relief. She procured a box of the Hebrew Plaster, and it relieved her almost immediately, and now she keeps a supply of it on hand constantly. These facts you are at liberty to use as you think proper—they are substantially true.
Respectfully,
JESSE J. WELLS.

Beware of Counterfeits and Base Imitations!

CAUTION.—The subscribers are the only general agents in the Southern States for the sale of this truly valuable Plaster; and in order to prevent purchasers being imposed on by a counterfeit article, sold in this city and elsewhere, for the genuine, they invite particular attention to the following marks of the genuine:
1. The genuine is put up in smooth, engine-turned bottom boxes, soldered in.
2. The genuine has the engraved head of Jew David on the direction round the box, with accompanying record of court to E. Taylor, Rochester.
ALSO TAKE NOTICE.
That the genuine has the signature of E. TAYLOR on the steel plate engraved label, on the top of each box—to imitate which, will be prosecuted as forgery.
The Counterfeit is coarsely put up in imitation of the old labels, and is sold by several dealers in medicine in this city for the genuine article above.
BEWARE OF IT—IT IS WORTHLESS.

BARGAINS!

BARGAINS!! BARGAINS!!!
THE subscriber offers for sale his BRICK HOUSE and LOT in the town of Salisbury, on Main street, one door above the Watchman Office. The house is a large one for a Boarding House; it contains seven rooms and a passage way above and below, with a fire place in each room, and two large cellars with a fire place in one of them. The lot is large and runs back the whole depth of the square, which makes it convenient for building purposes.
The subscriber also offers for sale two valuable small Plantations, one of them contains 100 Acres, lying on the road leading from Salisbury to Hix's Ferry, (formerly Chambers's Ferry) four miles from Salisbury, on which there is a first rate orchard, very large and of choice fruit, and a beautiful situation, and one of the healthiest places in the country; the land is well timbered, and is well adapted to Cotton and all the grains, and is within a quarter of a mile of the Rail Road; there is about forty acres cleared land on this place. The other plantation, 140 Acres, lies within 35 miles of the town of Salisbury, and is one of the most convenient places in the county—the land is very fertile and productive, and is well watered; the land is all fresh, and so arranged that every field can be pastured, and it can't be beat for that purpose; it has a most excellent Meadow on it, well set with herd grass, and is well adapted for tobacco and cotton, and can't be beat for all the various grains, &c. Both of these places can be had with the crops on them, together with a handsome stock of young Cattle, Hogs, and Farming Tools. Those wishing to buy will please call on the subscriber at his residence four miles from Salisbury, on the road leading to Hix's Ferry.
Persons wishing to buy would do well to call soon, as the only object he is in offering his property for sale is to go to the South on account of his health. Both of these places are in one mile of each other, and the Central Rail Road runs near midway between them. Good Mills and Market for timber handy.
P. S. In the last mentioned tract, there is about forty-five acres cleared.

Grand Master's Office of the Grand Lodge of the State of N. Carolina.

NEWBURN, April 19, 1852.
TO the MASONIC FRATERNITY in North Carolina:—
At the last communication of the Most Worshipful Grand Lodge it was Resolved, That each Mason in the State, both resident and active, be, and he is hereby most earnestly requested by the Grand Lodge of North Carolina to transmit, as soon as possible, to Brother A. T. Jenkins of Newburn, C. W. D. Hutchins, of Raleigh, William Swaim, of Greensborough, or E. Myers, of Salisbury, as may be most convenient, the sum of \$5, more or less, for the speedy erection of St. John's College, the receipt whereof will be weekly announced in the papers published in the aforementioned places.
Brethren, with confidence of success, I appeal to your liberality in behalf of this enterprise, the importance of which has been fully established by the Grand Lodge, and the general concurrence of the Brethren throughout the State. While enough has already been done to encourage the hope of success, and evince its entire practicability, much yet remains to be done to render this success certain, and even to prosecute unremittently the measures already commenced. And yet it is confidently believed, that the aid which you are able to render will amply suffice to accomplish all this, and that speedily. Upon your action then, as Masons, depends the success of an enterprise which promises the richest benefits to the cause of Masonry and of humanity in general. Some of our Lodges have contributed promptly and nobly to this work, and we only ask your careful consideration of the subject, convinced as we are that nothing more is needed to secure your cordial co-operation in a favorable and early response to this appeal. Remember that in this as in every other social movement, harmony is its strength and support.
