We'suppose that our Firm is the "large House" alluded to, it so, we hereby notify our customers, as well as those who are so willing to supply them during our temporary curtailment, that we inlend no curtailment, either temporary or permanent, and that we can supply all our whole. sale customers (not already supplied) with their usual assortment of Goods at greatly reduced prices. Whenever we intend to curtail our business, we will give due notice to the public and to our wholesale customers af our cost and not at the cost of any Braggadoria. And as to the supposed curtailment alluded to, it has no existence, save in the imagination of those to whom the hope was father to the thought .--In conclusion, we say, we are not in the habit of transfering our customers, but should it ever become necessary for us to do so, we will try to send them to some House, where, we think, they will be satisfied to go.

THE great remedy for Rheumatism, Gout, Pain in the Side, Hip, Back, Limbs and Joints ; Scrofula, King's Evil, White Swelling, Hard Tumors, Stiff Joints, and all fixed pains whatever.

Where this Plaster is applied, Pain cannot exist. has been beneficial in cases of weakness, such as Pain and Weakness in the Stomach, Weak Limbs, Lameness, Affection of the Spine, Female Weakness, &c. No female, subject to pain or weakness in the back or sides, should be without it. Married ladies, in delicate situations, find great relief from constantly wearing this Plaster.

The application of the Plaster between the shoulders has been found a certain remedy for Colds, Coughs, Phthisic, and Affections of the Longs in their primary stages. It destroys inflamation by prescriptions. The following commendation is from an agent residing at Trenton, Tennessee:

TRENTON, Gibson Co. Tenn., Nov. 7, '49. Messrs. Scovil & MEAD+Gentlemen: The Hebrew Plaster is becoming popular in this section. There is a lady in this county who says she would not be without this Plaster for tive hundred dollars a year. She was afflicted for some time with an enlargement of the spleen, which gave her a great deal of pain. The swelling and pain had extended up hearly to the armpit, and occasionally she could scarcely breathe. She was confined for a considerable time, during which she was attended by some of our best physicians, but they gave ter, and it relieved her almost immediately, and now she keeps a supply of it on hand constantly. These facts you are at liberty to use as you think properthey are substantially true.

Respectfully yours, &c., JESSE J. WELLS. Beware of Counterfeits and Base Imitations! CAUTION .- The subscribers are the only general agents in the Southern States for the sale of this truly valuable Plaster; and, in order to prevent purchasers being imposed on by a counterfest article, sold in this city and elsewhere, for the genuine, they invite particular attention to the following marks of the genuine:
