

POETICAL. The following lines were written by the gifted author of Passion-Flowers, on a dog which was killed by the rail-cars passing over him, when the postman was visiting her sister, the mischievous Tiger:

AGRICULTURAL. HOW TO MAKE SUPER-PHOSPHATE OF LIME AND HOW TO IMPROVE IT. To MAKE SUPER-PHOSPHATE OF LIME.—Some bones, some oil of vitriol, (sulphuric acid), and some wood-hooped barrels, or half barrels, or half hogsheads, are all the apparatus needed.

THE OREGON PEA FOR STOCK AND AS A FERTILIZER. Messrs. Editors.—I procured, last spring, one quart of Oregon peas and planted them in good sandy soil, three-fourth of an acre, in hills three feet apart, about the 20th of April.

THE REFORMATION IN OTHER STATES. HENRY J. WILSON. She is the first State in the South to proclaim Freedom from the liquor traffic. A Prohibitory Law has passed both branches of the Mississippi Legislature.

VILLAGE OF WILKINSON. HAVING purchased the convenient and well known store of public entertainment, situated North West of the Court House, the undersigned, in offering his services to the travelling public as proprietor, would say that nothing on his part shall be wanting to render comfortable, those who may favor him with a call.

SMITH & HOLDER. Ho for South Troy and Eagle Mills. A MINE OF WEALTH.—A little more help and its riches shall be developed to the astonishment of the world and to the enrichment of the South.

SHEEK'S CELEBRATED Wheat Threshers. A SHEEK AND BROTHERS. ARE now prepared to fill orders for their celebrated Threshing Machines. Having made arrangements for the North for a very superior article of machinery, they are now ready to receive orders.

A MEMBER OF CONGRESS SAYS. I repeat, therefore, that it is now too late to deny either the criminality of this traffic, or the magnitude of the evils which result from it. I speak not of the galleys, chains, gibbets, the alms houses, the dungeons, and the penitentiaries, to whose ravaging heights and hungry walls, the mangers and venders of this poison are but the recruiting sergeants.

THE OSIER WILLOW—ITS CULTURE AND PROFITS. An esteemed friend of Albany, N. Y., from whom we obtained a bundle of Basket Willow cuttings, for propagation, writes as follows: As to the Willows, I have cultivated them and offered cuttings at but little over cost of cutting and packing, from a desire to get its culture introduced into this country.

PROVING A GOOD CHARACTER. It is remarkable that our laws demand proof of a good moral character by those who apply for license to retail ardent spirits. We believe that this is the only business in which such a requisition is made.
