

SOMETHING NEW.

What You Ride or Walk.

BELL, EARNHART & CO.

HAVENT opened a library of public works on the day of Salisbury, where they will hold their trials in reference to the Horner Rail Vehicle, the public, and other private conveyances, and hold them open to receive all the trials that may be desired in the town, and from the depot, on short notice, and also with teams and wagons to haul any goods or freight that may be wanted to any point remote from this place.

STOCK DRIVERS,

WILL find one stable and lot open for their accommodation during the winter. Our Terms will be made as possible. We have in mind the plan that we have employed John A. Snider to superintend our business and that he is our authorized agent.

BRITISH PERIODICALS.

EARLY COPIES SECURED.

LEONARD, SCOTT & CO., New York, continue to publish the following British Periodicals, viz:

1. THE LONDON QUARTERLY (Conservative).

2. THE EDINBURGH REVIEW (Whig).

3. THE NORTH BRITISH REVIEW (Free Church).

4. THE WESTMINSTER REVIEW (Liberal).

5. BLACKWOOD'S EDINBURGH MAGAZINE (Tory).

THE present critical state of European affairs will render these publications unusually interesting during the present year. They will occupy a middle ground between the patriotic and the foreign, eradicating speculations, and giving room for the daily news, and the ponderous tomes of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these periodicals that readers must look for the only really intelligible and reliable history of events even so, and as such, in addition to their well-known literary, scientific, and theological character, we may depend upon the consideration of the reading public.

Arrangements are now permanently made for the receipt of Early Sheets from the British Publishers, by which we are enabled to place all our **REPRINTS** in the hands of subscribers, about as soon as they can be furnished with the foreign copies. Although this involves a very large outlay on our part, we shall continue to furnish the periodicals at the same low rates as heretofore, viz.—

For any one of the four Reviews \$2.00
For any two of the four Reviews 3.00
For any three of the four Reviews 7.00
For all four of the Reviews 8.00
For Blackwood's Magazine 3.00
For Edinburgh and three Reviews 9.00
For Blackwood and the four Reviews 10.00

Payments to be made in all cases in advance. Money current in the State where issued will be received at par.
