

POETICAL.

A Mid-Summer Impromptu.

The sun is shining on the meadows,
Lawn are ringing with birds' song.

AGRICULTURAL.

Green Corn for Seeding and for Hay.

It has always been a favorite idea with us,
the sowing of corn for seeding and for hay.

That favored blunders as far as possible,
we wrote to Mr. Lewis Bailey of Fairfax for his

I have been sixteen years in Virginia,
Mr. Bailey, and in numerous seedling corn

The ground being in corn, and after four
or five days of rain, the corn is

And society is shocked at the departure
of the poor!

Really this is shameful! screams old Lady
Limegreen, "has the man no respect for

It is a shame to see a man who has
been married for twenty years, and

A Yankee poet thus describes the excess
of his devotion to his true love.

We know that general Bullitt has doubt
ed the many persons who have tried it, but
