LAND SALE AT CAROLINA CITY.

THE CAROLINA CITY COMPANY PROPOSE to sell to the highest bidder, on Tuesday the 25th day of November next, at Carolina City, a limited number of eligible Lots in said City, immediately on

BEAUFORT HARBOR.

It is hardly necessary to call the attention of the public to the importance of this sale. The proposed City is at the terminus of the Rail Road from Goldsboro' via Newbern to Beaufort Harbor, which is the grand terminus of the Internal Improvement system of North Carolina, and where a magnificent city must rapidly grow up.

The City Company only propose to sell a limited number of Lots, to allow parties who ask at once to obtain foothold an opportunity to do so—another will not probably be given soon, as the Company has no desire to part with any considerable amount of the property.

Terms liberal and will be made known at sale.

Small doses often repeated of Ayer's Cathartic Pills frequently relieve the most distressing sick headache. Many persons constantly afflicted with these complaints and indigestion, find a single dose, taken after any meal, or anything that is good and nourishing, and drink your regular drinks, and if the stomach is not sufficiently active to digest these it needs something to quicken its action and make it do its work better.

Dr. Sandford's Invigorator acts directly on the stomach and liver—giving them a healthy action, causing food to digest well, and if taken immediately after eating it will prevent the food from rising or souring on the stomach, and for an overloaded stomach the Invigorator gives instant relief by stimulating the digestive organs to more rapid action. 4w22.

For example—if the Number drawing the $40,000 Prize ends with No. 1, then all the Tickets where the number ends in 1 will be entitled to $40. If the Number ends with No. 2, then all the Tickets where the Number ends in 2 will be entitled to $40, and so on to 0.

GREAT INDUCEMENTS TO CLUBS.

As, by this Scheme, one Ticket in every 10 is *guaranteed* to draw $40, we will sell *Certificates of Packages* of 10 Tickets (where the numbers end in 1, 2, 3, 4, 5, 6, 7, 8, 9, 0,) at the following rates which is the risk on them.

All that the 10 Tickets draw over the amount guaranteed secures to the purchaser.

Certificate of Packages of 10 Whole Tickets,	$60
10 Half "	30
10 Quarter "	15

It will be perceived, by this plan, that for $60 the purchaser has a Certificate of 10 Tickets, when if he buys Tickets he would only get for that sum 6 Wholes, thus by buying Certificates he has four more chances for the larger Prizes—Halves and Quarter Packages in proportion.

IN ORDERING CERTIFICATES OR PACKAGES.

Enclose the money to our address for the Tickets ordered, on receipt of which they will be forwarded by first mail.

The list of drawn Numbers and Prizes will be sent to purchasers immediately after the drawing.

☞ Purchasers will please write their signatures plain, and give their Post Office, County and State.

☞ Remember that every Prize is drawn, and payable in full without deduction.

☞ All Prizes of $1,000 and under, paid immediately after the drawing—other Prizes at the usual time of thirty days, in full without deduction.

All communications strictly confidential.
