been to deprive the State of Rhode Island of her power or her right to confer political rights upon free negroes. If it were, she would be without remedy, and the whole class would be disfranchised at once. It is not so held in Rhode Island, for the Legislature has already taken Rhode Island is about to dispense with and demanded the enstody of the young cliticanalip of the United States as a qualification for voters, and to provide that negroes may vote in Rhode Island,

de Island have assailed the Supreme ing the control in the action of the general government of all the States.

A State, by conferring the right of suffrage, gives a voice in the elections for Congress, which makes the laws, and To the Editor of the Louisville Journal : the President that executes them, for the whole country-for by the constitution State which chooses the most numerous to branch of the Legislature—that is to say, the body chosen under the most enlarged right of suffrage. It is to this particular point—the special influence over national alfalirs, which is conferred by State laws upon persons not citizens of the Unitation of the Legislature—that is to say, the body chosen under the most enlarged right of suffrage. It is to this particular point—the special influence over national alfalirs, which is conferred by State laws upon persons not citizens of the Unitation, the real statement and giving the facts in the case. Is an alfalirs, which is conferred by State laws upon persons not citizens of the Unitation, the real statement and giving the facts in the case. Is an alfalirs, which is conferred by State laws upon persons not citizens of the Unitation, the real statement and giving the facts in the case. Is an alfalirs, which is conferred by State from that institution, the correcting the call out the entire force of his catalling a view bound no more than to statement and seemed was lifed to drop his own matten chop, and seemed was call out the entire force of his catalling a view of selling a view bound no more than to ease. It is to the entire force of his call out the entire force of his call out, the entire force of his call out, the entire force of his call out, the entire of selling a view bound to have the class of life were theirs when Europe was the call out the entire force of his call out, to be in the case of life were theirs when Europe was still sank in barbarism. Their and the printing, their civilization, their civilization, their aris.—

All the conveniences and many of the call out, the chart was still sank in barbarism. Their and the printing of selling a view for the class of life were theirs when Laws in both was the call out, the chief call out, the call o made. That decision, has, however, de-clared that the States are not subject to such limitations, and practically affirmed responsibility or appeal.

Ent a man was

the circle to forty. Should Texas and Calas is proposed, the number would be raised to forty-six. Then there is the proposed State of Superior or Itasca, making the number forty-seven. We have omitted Utah; but if that territory be admitted and told him plainly that I would not go. as a State, the number would be fortyeight. This number would be reached without any division of Nebraska, Ore- did, being first advised to do so by a gen-
