**For Governor**  
**DUNCAN K. M'RAE, ESQ.**

Our readers will find in today's paper the nomination of himself by Deane E. Melton, Esq., as a candidate for the office of Governor of this State. It is well known that Mr. Melton has been selected to take his present position as an independent candidate by the organs of the Democratic party in this State. It is not surprising that he has been selected for the office of a great public man, identified with all the best interests of the State that other questions which constituted it, sink into insignificance.

**LETTER FROM DUNCAN K. M'RAE, ESQ.**  
Raleigh, April 26, 1855.

Fellow Citizens:—In announcing myself to you as a candidate for your suffrages at the election to be held in August next, for the office of Governor, I take the occasion to repeat the regret I have often expressed; that I am not a better qualified to maintain and uphold the great questions I have been for the last six months endeavoring to present to you, than I am contented to take or assume in the field. In this state of the case, I have not been able to resist the impulse which has been made to me by men of all parties, and without reference to party, to consent to be a candidate.
