suitable persons to run as candidates for the Commons.

Resolved, That we recommend Dr. J. G. RAMSAY as the first choice of Rowan, to run as a candidate for this Senatorial district.

All of which is respectfully submitted.

This report was greeted with applause, and unanimously adopted by the meeting.

Hon. N. BOYDEN then offered the following resolutions, which passed unanimously:

Resolved, As the opinion of this meeting, that the proceeds of the sales of the public lands ought to be divided amongst the several States of the Union, upon some just and equitable principle.

Resolved, That these funds arising from the sales of the public lands, have too long been clutched by the democratic party, and used by them for carrying the elections in the States in which these lands are situated; and that it is high time that the people should rise in their might and set their face against every candidate for any political position who will not distinctly pledge himself to use his best endeavors to procure a division of the proceeds of the public lands amongst the several States, upon some fair and just principle.

Resolved, That we are opposed to any further increase of the State debt for internal improvements.

On motion, the following gentlemen were appointed a Committee to confer with a similar Committee from Davie County, to agree upon a candidate for this Senatorial district.

Committee.—Messrs. E. D. Austin, F. E. Shober and J. J. Bruner.

On motion, Richard Caldwell and R. H. Broadfield, Esqrs., were appointed a Committee to inform Messrs. Partee and Holmes, of their nominations, and to request their acceptance of the same.

The Secretaries were then directed to furnish copies of the proceedings of this meeting to the Carolina Watchman, for publication, with the request that other papers would copy the same—after which, The meeting adjourned.

WHIG MEETING IN ROWAN.

We had a spiritus meeting in the Court House on Tuesday last. It was numerously attended, and there was evident a feeling of deep interest. There appeared to be anxious desire amongst the people to hear our public matters talked about. They seem to fear that all is not right and that they, as voters, are called upon to look into the political affairs and condition of the State. The speeches of the Hon. N. BOYDEN and A. DARDAN, Esq., were listened to with eager attention; which inspired them with a feeling of warmth and earnestness which sent their words right to the hearts of their hearers. They were frequently applauded; and we observed that these points expressive of a determination to press our claims for North Carolina's portion of the public lands or the proceeds of their sales, always met a cordial response from the meeting.

We give in another column an authentic report of the proceedings. It will be seen that M. L. HOLMES, and C. L. PARTEE, Esqrs. received the nomination of the meeting, as candidates for the Commons; and that our faithful Senator in the last Legislature, Dr. J. G. RAMSAY, was recommended as the choice of this county, for re-election.

When these names were announced to the meeting, they were received with enthusiasm. It is a strong ticket, and with truth and right on their side, we believe these gentlemen will be elected.

P. S. Since the above was written, we have received a communication from C. L. PARTEE, Esq., declining to accept the nomination tendered to him. We invite attention to his letter in another column.

☞ *Concord.*—We omitted, last week, to advert to a visit we made to Concord. That town, like our own and others, throughout the country, affords some signs of the monetary difficulties which came upon us last Fall and Winter. Some of her merchants are closing out, and but few are doing a thriving business. Every branch of business felt the shock, and time alone can bring up trade to its former prosperous condition. But Concord was looking better than we expect to find it. There is a spirit of improvement and an energy amongst her citizens which speaks well for her, and promises fair.—Our young friend, C. F. HARRIS, the proprietor of the HARRIS HOUSE, is conducting his establishment in a manner highly creditable, both to himself and the Town, and therefore deserves praise and patronage. He had the earliest vegetables we have seen or heard of in this part of the State, which, of itself, is a strong recommendation, both of his industry and his qualifications for his branch of business.

☞ M. Q. Waddell & A. R. Kelly, of North Carolina, were in Charleston, S. C., a few days ago, and made speeches to the Charlestonians to induce them to take stock in a Railroad to tap the Deep River coal fields. They failed to accomplish any thing to the purpose.

☞ The New York *Herald* says this is a splendid time for war. It would revive our manufacturing interests, and give employment to our shipping as privateers, &c. Just a little scheme to break the monotony of the times. England is outraging the rights of our vessels, and it is with her, probably, that the Herald wants a fight.

☞ Despatches from Kansas, of recent date, mention a fight, in which ten persons were killed. Other accounts contradict this statement.

☞ Mr. MASON, from the Committee on Foreign relations, made a report to Congress, on the 20th of May, showing successive acts of aggression on American vessels by British steamers, and recommends that it be arrested at once and at all hazards. Right.

☞ Our Superior Court was in session last week, his Hon. Judge BAILEY, presiding. There was no case of general interest on the docket, though we learn it was a very full one.

CEDAR GROVE, May 20, 1858.

MESSRS. R. A. CALDWELL & R. H. BROADFIELD.

Gentlemen: I have your communication informing me of my nomination as a candidate for a seat in the House of Commons of the next Legislature, and joined therein your own personal wishes that I will accept thereatte. I feel in duty bound, at all times, to labor for the promotion of right principles in the governmental affairs of the country and have not failed to do so when it was in my power to be useful. It would afford me pleasure to do myself the honor to accept the nomination tendered me by the very respectable body who thought me a suitable candidate to represent them before the people in the approaching canvass, for I sincerely believe that the people of Rowan are now in a frame of mind favorable to hearing the truth, especially in regard to the public lands; and that they are determined to sustain their rights on this subject at the ballot box; and with this conviction, I am constrained to believe that the candidates who may this summer, represent the doctrine of fair distribution, will certainly receive their cordial support. The people are aware that the State has incurred heavy liabilities in consequence of our internal improvement projects; and they know that the debt must be paid by taxation; and that unless we obtain aid from a distribution of the public lands or the proceeds of their sales, the tax-payers of North Carolina will feel such a burden as they never felt before. But, gentlemen, I regret to say, that circumstances of a private nature render it impossible for me to accept the nomination so handsomely tendered, except at a ruinous sacrifice. My friends, I know, do not require this of me; and hoping you may find some one else better qualified for the place than myself, I respectfully decline.

Sincerely yours,

C. L. PARTEE.

4th of July Meeting in Salisbury.

SALISBURY, May 22, 1858.

At a meeting of a respectable number of the citizens of the Town, assembled in the Court House, J. M. COFFIN, Esq., was called to the Chair, and J. M. NEWSOM was requested to act as Secretary.

Dr. J. W. HALL, being called upon to state the object of the meeting, arose and said that at a meeting previously held to celebrate the 20th of May, but finding the time too short, it was resolved to adjourn to this day; and then to adopt measures to commemorate the 4th of July in a becoming manner.

On motion, it was then resolved that the coming 4th of July be appropriately celebrated in the Town of Salisbury.

B. B. MOORE, Esq., being then called up, responded in a few remarks, closing by moving a resolution that a Committee of Arrangement, to consist of five persons, be appointed by the Chair; and the motion being amended, and passed with an increase of the number, the Chair appointed the following as the Committee of Arrangement.

Dr. J. J. Summerrell, Chairman;

J. J. Bruner, Esq., and J. M. Newsom, to represent the press;

Capt. T. Hill and B. B. Moore, the Rifle Guard;

J. H. Enniss, Esq., E. Myers, Esq., and L. Blackmer, Esq. the Masonic Fraternity;

Capt. J. W. Hall, and W. L. Saunders, Esq., the Artillery;

S. R. Harrison and W. R. Wilson, Esq., I. O. O. F.;

J. D. Brown, Sons of Temperance.

On motion of W. L. Saunders, Esq., the Chair appointed Dr. C. A. Henderson, Dr. J. W. Hall, Dr. M. Whitehead, B. B. Moore, Esq., and F. E. Shober, Esq., a Committee of Invitation. This committee was instructed to act also a Committee of Reception, should there be occasion for such service.

On motion, the Committee of Arrangement was instructed to apply to the Town Commissioners for an appropriation, should the expenses render such application necessary.

After the adoption of a motion directing the publication of these proceedings, the meeting adjourned.

J. M. COFFIN, Chm'n.

J. M. Newsom, Sec.

☞ The printing office of the "Salisbury Herald" was sold at public sale on Tuesday last, Mr. CHARLES SHOBER, of Greensboro' being the last and highest bidder, at $796.

☞ The London *Leader*, an influential British paper, denounces the effort to suppress the slave trade by force, as an utter failure, and fears the attempt to carry it out, has embarrassed the relations between England and the United States.—It thinks the Derby government would make itself immensely popular at home, if it were to *reverse* its policy towards the U. S. and Africa, touching this subject.

☞ Among the visitors to our Town during Court week, we were pleased to see Mr. DRAKE of the *Iredell Express*.—The "Express" is a flourishing paper recently started at Statesville, N. C., the County town of one of the best Counties in the State.

Good for Mr. Clingman.—When Senator Andrew Johnson's Homestead bill was before the Senate on Wednesday last, Mr. Clingman moved to amend it, by providing that instead of giving 160 acres of land to every man that will go and settle on the public lands, (thus tempting people from North Carolina and other old States to emigrate to the new States,) there shall be given to every man 160 acres, whether he moves away to settle on the lands or remains at home. Mr. C. said he was not in favor of this bill, but if the lands were to be given away then, he was for a fair and equal division.

Very right, Mr. Clingman. And the principle will apply as well to the whole system of giving away the lands, whether to individuals, or to States, or rail road companies.—*Pay. Observer.*

Hurricane in N. C.—We learn from a gentleman who arrived here yesterday, says the Portsmouth *Transcript* of Thursday, that a severe and very destructive hurricane was experienced by the people of Gates county on Tuesday last. At Gatesville the Episcopal church was blown down, a number of the finest and most substantial houses unroofed, a number of carriages, &c., broken to pieces, trees torn up, and other damage done. One informant did not hear of any destruction of human life, though it will be miraculous if future reports fail to bring accounts of destruction in this particular.

Large Lump of Gold.—A massive nugget, recently found in Australia, has been sent to London, and is announced as an exhibition at the official rooms of the Crystal Palace. This superb mass of gold is two feet four inches in length, and ten inches at its greatest width; it weighs 1,742 ounces, or nearly 148 pounds, and, strange to say, it is estimated by gold brokers that it contains but six ounces of dross, the residue being gold of the purest kind.

FROM

TO THE PUBLIC.

THE extraordinary success possessed by the vivid managers of all our Lotteries to injure us because our liberal schemes, and prompt manner of doing business has materially affected them, compelled us to call special attention to the issue, which all who deal with us know already; that is, that our Lotteries are legal; the managers and trustees honest and honorable men; that we have paid more prizes in the last twelve months than all other Lotteries in the Union, and that they have been promptly realized in all cases on presentation.

The effort to injure us in mind not only at our business, but also involved to our public, really as one of our partners; and we assure our friends and the public that WITH OUR CONCERN ALL IS RIGHT, and that the legal investigation which we shall urge to a hearing, will fully demonstrate. In the meantime our business will be conducted as usual.

PLAN OF THE LOTTERY.

The Numbers from 1 to 24,000, corresponding with those Numbers on the Tickets printed on separate slips of paper, are enclosed with small tin tubes and placed in one Wheel.

The first 437 Prizes, similarly printed and enclosed, are placed in another wheel.

The wheels are then revolved, and a number is drawn from the wheel of Numbers, and at the same time a Prize is drawn from the other wheel. The Number and Prize drawn out are opened and exhibited to the audience, and registered by the Commissioners; the Prize being placed against the Number drawn. This operation is repeated until all the Prizes are drawn out.

APPROXIMATION PRIZES.—The preceding and the two succeeding Numbers to the [illegible] Prize will be entitled to the [illegible] Prize, each, viz: If Ticket No. 11,236 draws the $20,000 Prize, those tickets numbered 11,235, 11,237, 11,238, 11,239, 11,240, 11,241, 11,242 will be entitled to $400. If Ticket No. 250 draws the $5,000 Prize, those tickets numbered 249, 248, 251, 252, will each receive $100, and so on according to the above scheme.

The 5,000 Prizes of $20 will be determined by the last figure of the Number that draws the $20,000 Prize. For example: If the Number drawing the $20,000 Prize ends with No. 1, then all the Tickets, where the number ends in 1, will be entitled to $20.
