The learned, after many contests, have at length acknowledged that the numeral figures, 1, 2, etc., are of Indian origin, and not Arabian, as is commonly supposed.

Three new Presidential aspirants have been entered for the Charleston race of 1860, viz: Gen. Harvey, Gen. Jessup, and Commissioner Bowlin.

A locofoco editor says the whole object of the Americans of Maryland is "to beat the Democrats." They could not have a better object or more patriotic purpose.

A pious lady in Virginia was in the habit of having family worship, every evening, and it was a rule of hers that all the servants should attend.

A locofoco editor says the whole object of the Americans of Maryland is "to beat the Democrats." They could not have a better object or more patriotic purpose.

All that gives health promotes happiness, all that gives happiness promotes health. Towers are measured by their shadows, and great men by their calculations.
