THE BARD OF A THOUSAND STRINGS.—By far the most amusing book of the age has just been issued by Moore, Dyer & Freeman, of New York, and christened "The Bard of a Thousand Strings." It is a comic song of the last fashionable nonsense to spread by modern and ancient comic song writers. The immortal Mr. Lovegrove is there, and sings as full and savage a song as Mr. Monroe sings, instead of whiskey and fun; help to add laugh giving zest to the volume. The remainder of the songs are the most coherent, and comprise a handful of really good comic sketches and hearty songs, interspersed with a number of humorous engravings. The work is for sale at the bookstore of

CELEBRATED VEGETABLE
CATTLE POWDER.

THE Proprietors take pleasure in offering their Vegetable Cattle Powder, feeling confident that it is the article long needed by the Agricultural community. The Compound is useful in most all diseases incident to Horses, Cows, Hogs, and Sheep, entering into the circulation, producing an alternative effect thereby, purifying the blood and all secretions. The Powder is recommended for horses to be given in complaints of Distemper, Slabbering, Coughs, Fevers, Foot-diseases, Glanders, Farcy, Stripes and Colic, Jaundice and Yellow Water, diseases of the kidneys, foundered horses, &c.

It may be given in doses of tablespoonful two or four times a week mixed with water when drinking

COWS.

The powder is highly recommended for cows. Purifying their blood and bringing them to a healthy state, driving out all the impurities of the body, increasing their strength and improving their appetite, making them yield twice the amount of milk, with a rich condition. A farmer, that once uses this powder, will never be without it. It should be given in doses of a tablespoonful three times a week, and in continuing the use of it, all the diseases arising from the impure state of the blood and secretions may be entirely driven out.

In diseases of Hollow Horn, Hoof disease, or cows that give bloody milk, or for dry cows, it has been found highly beneficial by giving the powder every day, or three times a week.

HOGS.

For hogs the powder is recommended to be given in coughs, sore necks, ulcers in the lungs, and liver, and in fattening, and may be given by mixing a pound of a half of a package in a barrel of swill.

POULTRY.

The Cattle Powder, proving so efficacious for what I was first recommended induced several farmers to feed it to some laying hens, and found the effect most wonderful in fattening them; besides, making them continue longer than usual in laying eggs. We can, therefore, recommend it, to be feed to chickens, geese, turkeys and for all kinds of the feathered tribe, where it is desired to keep up a healthy condition. It may be given mixed with Indian meal and water two or three times a week.

CAROLINA CITY HOTEL.
PARROTT & NEWBORN,
PROPRIETORS.

THIS MAGNIFICENT HOTEL HAS BEEN enlarged to nearly double its original size, an addition of eighty-eight feet having been added on Railroad street, thus presenting an imposing front immediately in view of the ATLANTIC OCEAN.

The veranda of this Hotel (which is three stories high) fronts towards the Ocean two hundred and eighteen feet, affording a

Delightful Promenade.

From this stand-point the beholder can view the Ocean in the south, Bogue Sound in the south-west, the Harbor with all its shipping, Fort Macon and three Light Houses in the south-east, affording a range of

Ocean Scenery

that is scarcely elsewhere to be met with.

The superintendence of this Hotel will be in the hands of Mr. H. EARNHART, (formerly of the Fayetteville Hotel,) whose taste and skill so eminently qualifies him for making all the guests feel as if they were at home.

The best accounts the country could afford have been secured.

Those who stop with us will never be at a loss for

Recreation and Entertainment.

Our steamboat will make regular trips to Beaufort, the Inlet, the Fort, and often on EXTRA EXCURSIONS, while our BAND OF MUSIC will be ever "discoursing sweet sounds" to the ears of those who shall favor us with their company.

Our Bar will furnish choice liquors of all kinds; our Billiard Room is in good order; and our Bowling Alley will be constantly open for the entertainment of those who have a taste for those healthful exercises, and our Reading Room will contain files of the best newspapers, magazines, and periodicals published.

The sick will find our BATHING HOUSES a matter of great comfort and a help to better health.

We feel assured that in every respect we can give entire satisfaction; we shall, at least, spare no pains to do our whole duty, that all our guests may receive all possible attention.

TAKE NOTICE.—As the train arrives after dark each evening, persons going to Beaufort will do well to stop over night at Carolina City, as they can be conveyed, wherever they wish to go, the next day, in a steamboat or sail boats, and thus be saved the trouble of a disagreeable night trip across the water.

These Lots, although in the centre of town, are unimproved. They are now offered for sale for the first time, as the late John McEntire refused to sell during his life. Persons desirous of purchasing land within the limits of the town before the price is enhanced by the completion of the Railroad, should not allow this opportunity for making such investments to escape them. I will, likewise, sell at the same time and place a tract of land containing

One Hundred Acres,

situated one mile from the Court-House, and adjoining the town of Morganton. The tract is well timbered and otherwise desirable. These lands are sold for the purpose of partition among the heirs at law of the late John McEntire, d. d'd.

A credit of twelve months with interest from date will be given, and bond with approved security will be required of the purchasers.

E. J. ERWIN, Commissioner.
