MOREHEAD CITY.

SALE OF LOTS.

ON Thursday 22nd of August, 1860, there will be a sale on a credit, of valuable lots in the city of Morehead.

The proximity of these lots to the public squares and to the large Female Academy about to be erected, and towards which some $12,000 has already been subscribed, makes the location very desirable for families, who desire to spend the Summer at this delightful summer retreat and watering place. Some of the business lots will likewise be sold.

The rapidity with which this city is improving, and the prospect of a railroad line of steamers between this place and New York, should induce purchasers an invest.

MARRIAGE LICENSES FOR SALE AT THIS OFFICE.

HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturers of HOSTETTER'S CELEBRATED STOMACH BITTERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of boastful assertion or ill-sounding puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady increase in future years, it is evident that during the coming year the consumption will reach one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the assertion of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It rens ves all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per direction on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the greater urge. There are certain periods when their cures are so harassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particularly referred above, to WIT: sufferers from fever and ague, caused by malaria, dizziness, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, supernaturated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "*Dr. J. Hostetter's Stomach Bitters*" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

☞ Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, South America, and Germany.

REAL ESTATE.

WISHING to concentrate my lands in one place, I propose to sell the plantation on which I now reside, containing 307½ ACRES. Most of the soil is grey ground, the remainder is dark loam, equal in fertility to any in Rowan. Nearly one half of the tract is still in woods, containing a great deal of fine timber, right along side the N. C. R. R. There is about 40 Acres of BOTTOM LAND and MEADOW, of first-rate quality. The DWELLING is well arranged, containing nine rooms, garret and cellar, and also 8 fire-places, and is in view of the Yadkin River and N. C. Rail Road. The garden and spring are excellent, and the out-buildings, some of which are new, are well arranged and comfortable.

The location is quite convenient, being within five miles of Salisbury, and very healthy. The soil is highly adapted to fine Tobacco, Cotton, Grain, Fruits, and garden vegetables.

Ayer's Sarsaparilla

A THOROUGH remedy, of which we have labored to produce the most efficient alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases it is presumed to be cured by. It is believed that such a remedy as wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must possess the active virtues of the best preparation of Sarsaparilla that can be made. How completely this compound will do it has been proven by experiment in many of the worst cases to be found in the following complaints:

SCROFULOUS AND SCROFULOUS COMPLAINTS, ERUPTIONS AND RISINGS OF THE SKIN, CANCER, FESTERS, ULCERS, TUMORS, SALT RHEUM, SCALD HEAD, RINGWORM AND SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOULOUREUX, DISEASE, DYSPEPSIA AND INDIGESTION, LIVER COMPLAINT, RISE OR BY. Ayer's PILLS, and indeed the whole class of complaints arising from Impurity of the Blood.

This compound will be found a great promoter of health when taken in the spring, to expel the foul humors which lurk in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, relieve the system from the watersheds of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find it impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even when a particular disorder is not the purpose, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with the exception of life diminished, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or
