THE NORTH CAROLINA

White Sulphur Springs,

WILL be opened for visitors by the 1st of June next; they are situated in a most healthy mountainous country, near the beautiful Catawba River, within less than an hour's ride of the present terminus of the Western N. C. Rail Road with which daily lines of Omnibuses and Stage Coaches connect at the Springs. Pleasure Vehicles and superior saddle Horses will be at the call of guests. Bowling Alleys and a Billiard Saloon will be neatly fitted up. A fine Band of Musicians engaged for the season—Quadrille and Cotillion Parties each evening free of extra charge.

The Buildings are new and spacious, the pleasure grounds extensive, and in fine every thing wished for, as at the best watering places, will be found here to refresh the inner man and cheer the spirit. The unrivalled reputation and the medical properties of the Waters (almost indistinguishable before the completion of the Western N. C. Rail Road), now bid the sick and afflicted with a cordial welcome.

The physicians of the Proprietor justifies the seeking of health or pleasure in anticipating a good time coming. The Proprietor has been at great expense in fitting up a watering place accommodation with the wants of the Carolinian and confidently rely on their generosity for encouragement.

$100 REWARD.

RANAWAY from the subscriber, on Thursday night last, two negro boys, by the name of RICH and FREEMAN. Rich is about twenty-one years old, spare-made, very black, has rather a down look, when spoken to, weighs about 150 pounds—Freeman is about 18 years of age, rather on the stout order, stoutly built, and weighs about 125 pounds. The above reward will be given to any person who will deliver said boys to me, or confine them in jail so that I can get them, or $50 for either one of them. The subscriber has good reasons to think that they are trying to make their way to a Free State.

HOSTETTER'S

STOMACH BITTERS.

The proprietors and manufacturers of HOSTETTER'S CELEBRATED STOMACH BITTERS can appeal with perfect confidence to physicians and citizens generally of the United States, for the article has attained a reputation unrivalled by unknown. A few facts upon this point will speak more powerfully than volumes of here assertion or blustering puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady increase in every year, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the mention of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be an enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the preservation of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years. As it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that many of them sink under the trial. The solicitude of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the cure of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to restore the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of healthy strength.

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhea, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, supernumerated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our trade-mark signature is on the label.

☞ Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, South America, and Germany.

Ayer's Sarsaparilla.

A compound of extracts by which we have labored to produce the most efficient alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the disease contagious, in ingress to mankind. It is believed that such a remedy is wanted by those who suffer from Scrofulous complaints, and that some search and scientific skill have given power to this compound to search out the latent taint of our afflicted blood—poison. How completely this compound will do it has been proved, by experiment on many of the worst cases to be found in the following complaints:

Scrofulous and Constitutional Taints, Erysipelas and Erysipelatous Diseases, Ulcers, Pimples, Blotches, Tumors, Salt Rheum, Scald Head, Ringworm, Syphilitic Affections, Mercurial Diseases, Dropsy, Rheumatism or Tar Disturbances, Dyspepsy, Debility, as can frequently, Exhaustion, Loss of Appetite, Pains arising from Incipient or old Ulcers.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of those many rankling disorders are stopped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruption, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find it impurities burning through the skin in pimples, eruptions, or sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Keep the blood pure, and health will follow. Many people suffer from Scrofulous disorder in fact, people en
